Dear Families,

We are pleased to be offering our 2024 summer school program. This year we are opening up summer school to students going **into** Kindergarten through 8th grade. Summer school will run from 8:00 - 3:30 and will include breakfast from 8:00 - 8:30, lunch from 11:30 - 12:00, and recess from 12:00 - 12:30. We will be offering one 3-week session, which will run from Wednesday, June 12th through Tuesday, July 2nd. There is no school on FRIDAYS.

Each teacher for K-5th grade participants will have a different activity to engage the students. These activities will be fun, hands on, and educational to create great experiences and positive memories for each child. There will be both morning and afternoon sessions. The morning sessions will focus on school success skills. Each day students will participate in reading and math activities, but they will also participate in activities that focus on teamwork, creativity, and problem solving. During the afternoon sessions, students will have the choice between swimming lessons and life-skills based classes such as cooking, gardening, and non-traditional sports and games.

This year we are again offering summer school for middle school students as well. Mr. Stead has developed a great mash-up of academic activities that will help our incoming 6-8th graders thrive in middle school. Also during morning sessions, students will learn new games and sports and work on their skills in sportsmanship and teamwork. In the afternoon, Mr. Stead will be teaming up with some other teachers to have fun with hands-on activities focused on the future. We hope the students take advantage of this opportunity! NOTE: Middle school summer school will not begin until June 17th.

If your elementary child is enrolled in swimming, they will be leaving for the South Wood County YMCA each day around 12:30 and will return in time for dismissal at 3:30. They will need a swimming suit and towel to participate. Please send those with the child so they have their dry clothes that they wore to summer school that day to change into. Students must be at least **6 years of age and going into first grade** in order to participate in swimming lessons. Remember, students may be dropped from the program if they miss more than 2 lessons since there are limited slots for the swim program. Swimming lessons will not be held July 1st and 2nd but we will have alternate activities here at school for the students on those days.

We will be offering a breakfast and lunch program for **all students** in the Almond-Bancroft School District. Breakfast will be served Monday-Thursday 8:00-8:30 AM and lunch will be served 11:30 AM-12:00 PM. This program is **free** to **any** student in our district, even those not attending summer school.

We will also be offering transportation from Bancroft to Almond. The students will be picked up Monday-Thursday at 7:45 AM on the south side of the Bancroft Lions Park and will return at approximately 3:45 PM.
