

Student Permission Slip to Check out Young Adult (YA) Books

- ❖ Young Adult, or YA literature, is a genre of books that address common experiences and issues that concern children as they go through their teenage years.
- ❖ Young Adult literature focuses on teen-relevant content, which motivates some students to read.
- ❖ Young Adult literature tends to deliver strong messages about the negative consequences that life sometimes offers.
- ❖ Young Adult literature is supported throughout the school library and literary communities.

By signing this form, I give my child permission to check out Young Adult (YA) books from the Almond-Bancroft School Library. I also understand that YA books may have some mature language and content.
