

BOYS & GIRLS CLUB
OF PORTAGE COUNTY, INC.

Dear Almond-Bancroft School District Families:

Due to recent challenges related to Covid-19 and low enrollment at our Boys & Girls Club site, we will be closing the Boys & Girls Club Almond-Bancroft site until further notice.

Our next step is to work closely with the Almond-Bancroft School District to determine the needs of the Almond-Bancroft community through a survey. This survey will be sent out through the AB School District within the next week and we ask all families to please respond.

A decision regarding the restart of BGC Almond-Bancroft school year programming will be made and communicated to you by Friday, November 13th.

Please know this decision was not taken lightly and do hope to restart our programming for Almond-Bancroft children as soon as possible. We appreciate your patience and understanding during this challenging time.

If you have any questions or concerns regarding this decision or would like to participate in the BGC Almond-Bancroft Steering Committee to review the survey results and subsequent decisions, please contact me.

Thank you and stay safe and well!
