## High School Student Of The Week

October 24-28

I have chosen Jon Pagel for the Student of the week. As he did last year Jon continues to do well in math. Jon is a top student in Calculus and even though it can be challenging, he continues to excel in class. Jon is also one of four students who will be competing in the Advanced Mathematics portion of Math League this year. Keep up the good work!

~ *Mr. Bradley*

## High School Student Of The Week

October 31 – November 4

I choose Michael Hartman as my Student of the Week because he has a great attitude every day at school. I have him in English and Creative Writing, and in both classes he puts forth tremendous effort. He helps other students, and he gives ideas for creativity to help spark other students' imaginations. He's also just a fun person to be around, even right away in the morning! Thanks, Mike! ~*Miss Brandt*

## High School Student Of The Week

November 7-11

I choose Angela Iwanski as my "Student of the Week". Angie is attentive in class. She is well prepared and volunteers in class lecture/discussion. Angie has a great grasp of Geometry and the thinking that is involved with proving statements. I am privileged to have Angie in class this year. Congratulations!!

~*Mrs. Ciula*

## High School Student Of The Week

November 14-18

My choice for students of the week is Garret Warzynski. He's an enthusiastic young artist who really takes his time for perfection and genuinely seems to enjoy his craft. It's a great pleasure to have a student like him in class. Keep up the great artistic work Garret!

## Family And Consumer Education News

### PRIVACY IN THE FAMILY By: Sorcia Rock-A-B Senior Student

Keeping privacy in the family is just as important as learning right and wrong. You need to make cut offs though. There are things people in a family should keep secret and things that families should speak up about. To develop trust a family must be able to rely on others to know what should be spoken about and when to keep their lips closed. A member in your family doesn't want to hear that the neighbor told the mailman that your dad wears a toupee, but they do want to know that you know that's something you won't share. Families also forget that there are things they should speak up about. Abuse and emotional wellbeing are things others and your family need to know about. If a child is sitting at home watching his mom acquiring bruises every other day he should speak up about it. Keeping emotions to oneself can cause stress among the family and even more emotional imbalance. Trust starts with knowing what is private and what isn't.

# First Grade Pumpkin Carving

The First Graders carved pumpkins on Tuesday, October 25<sup>th</sup>. They then delivered them around the neighborhood of Almond. It's nice to make the day of someone else with such a simple gesture. A special thanks to the First Grade parents who make this project possible; by donating the pumpkins and helping carve the faces onto the pumpkins.

## Breakfast With Santa

Come join the holiday cheer on Saturday, December 10th, from 8am—12pm at Almond School. Santa and Mrs. Clause will make a stop to see all the girls and boys of the Almond-Bancroft School District because they heard how good the kids are in this area. Mr. and Mrs. Clause also want to give a gift to all the kids who enter the school on December 10th. You may also get your picture taken with Santa for \$1.00 and he will have an elf email it to your home.

Not only will the children meet with Santa, but you may also fill your bellies with some breakfast...breakfast pizza that is. Polito's Pizza from Stevens Point is selling breakfast pizza for \$3 per slice to help raise money for the AB Library Media Center. Eggs, sausage, bacon and the works will be available in a whole new way for you to taste and enjoy.

If you have any questions, please call Tom Collins at 715-366-2941 Ext. 412 for more details. Or email Tom at [tcollins@abschools.k12.wi.us](mailto:tcollins@abschools.k12.wi.us)

HAPPY HOLIDAYS!

## Reading Is Fundamental

On Tuesday, November 22 all students in 4-K through seventh grade will bring home two FREE books. These books are for you to keep at your home. It is a gift from the Almond-Bancroft School District and RIF (Reading is Fundamental). Reading is Fundamental, Inc. prepares and motivates children to read by delivering free books and literacy resources to those children and families who need them most.

Founded in 1966, RIF is the oldest and largest children's and family nonprofit literacy organization in the United States. RIF's highest priority is reaching underserved children from birth to age 8. This year the AB School District is one of many who may be in the last year of being able to sustain this program due to nationwide budget cuts with RIF. **If you or someone you know would like to continue Reading Is Fundamental in the AB schools, please contact Tom Collins at 715-366-2941 Ext. 412.** There is always a way...we just need to find it.

# Alice In Wonderland 2011

## ALICE IN WONDERLAND IS WONDERFUL!

The cast and crew of Disney's Alice in Wonderland put on two great performances on Saturday and Sunday, November 12th and 13th. In front of a background of card suits, flowers and caterpillars danced and sang, Alice grew and shrank, Cheshire cats directed movement and crashed the Mad Hatter's tea party, and the White Rabbit made sure everyone knew she was late. Tweedle Dee and Tweedle Dum were tied up in knots, the creatures held a caucus race under the direction of the Dodo bird, and the royal cardsmen painted the roses red. Over all of that, the King and Queen of Hearts directed a game of Simon Says and held a trial, until Alice's sister Mathilda woke Alice from her Wonderland "Dream." But if it was a dream, how did Alice end up with the White Rabbit's watch? Thank you to everyone who came to watch the performances and support our young actors!

## **ASVAB: Not Just for the Military**

The ASVAB (Armed Services Vocational Aptitude Battery) is the test a person must take to enter into the US Military. The ASVAB Career Exploration Program is a civilian-based program that can help students take steps toward finding a career that's right for them. Students do not need to be interested in the military to take the ASVAB. They can benefit from the Program whether they plan to pursue further education after high school or enter the workforce right away. The first step towards finding a career is to spend some time finding out about yourself. The ASVAB Career Exploration Program includes tests and activities that help students identify their interests and provide information about their Verbal Skills, Math Skills, and Science and Technical Skills. It lets them know how their interests and skills relate to the demands of more than 400 occupations to help students start making educational and career plans.

The ASVAB is being given this year on Tuesday, December 13 at 8:10 am. All Sophomores, Juniors, and Seniors will be encouraged to sign up for this free career exploration tool closer to the testing date.

# What **You** Need to Know **About** Registering with **Selective Service**

**Q: What is Selective Service?**

**A:** The Selective Service is a government agency whose job is to provide untrained manpower for the Armed Forces if there's a national emergency.

**Q: What is Selective Service Registration?**

**A:** By registering, you add your name to a list of all the men in the nation, ages 18 through 25. The list would be used to identify men for possible military service in case of a national emergency.

**Q: What happens if there's a draft?**

**A:** There hasn't been a draft since 1973. If there were an emergency sufficient for Congress to order another draft, Selective Service would conduct a birthdate lottery to decide the order in which to call men. Those who turn 20 during that calendar year would be called first in a sequence determined by the lottery. If more men were needed, those 21 to 25 would be called, youngest first.

**Q: Who is required to register?**

**A:** The law says that all 18-year-old men (including U.S. citizens living abroad and non-citizen immigrant males 18-25 residing in the U.S.) must register. The only young men exempt from registration are non-citizen males who are in the U.S. temporarily as tourists, diplomats and their family members or foreign exchange students; incarcerated or institutionalized men; men on active duty in the Armed Forces; and students at U.S. military academies.

**Q: Why don't women have to register?**

**A:** Our nation only registers men. This has always been the case. Selective Service law as it is presently written refers specifically to "male persons" in stating who must register and who could be subject to a draft. Therefore, Selective Service procedures do not apply to women. In order for women to be required to register with Selective Service, Congress would have to change the wording of the law.

**Q: What if I don't register?**

**A:** You are breaking the law. If prosecuted, you could be sent to prison for up to 5 years and may be fined up to \$250,000. In addition, if you fail to register, you cannot qualify for federal student grants or loans for college, job training benefits and many state and federal jobs.

**Q: Is registration hard?**

**A:** No. In fact it's never been easier. A young man can register with Selective Service in less than 2 minutes via the Internet at: [www.sss.gov](http://www.sss.gov). You can also register by going to your local post office and completing a registration form. It's as simple as filling in your name, address, telephone number, date of birth and Social Security number. Registration forms should be available in your local recreation or social service center, school's guidance or registrar office, or you may receive a form in the mail. Simply complete it and mail the form to Selective Service.

**Q: When should I register?**

**A:** Within 30 days of your 18th birthday. If you cannot register on time because you are hospitalized or in prison, you have 30 days in which to register after you are released. If 30 days have already passed since your 18th birthday, **register** immediately, either **online** or at your post office. Although Selective Service will accept a late registration, the longer you wait, the longer you are breaking the law and jeopardizing your future benefits.

**Q: How do I prove I registered?**

**A:** When registering via the Internet, you will receive your Selective Service number immediately. That number is your proof of registration - for safe keeping, jot it down. You will receive a Selective Service card by mail within 2 weeks confirming that number. (Note: If you registered by mail, you will receive a card confirming your registration with 60-90 days.) **If you don't get your card within 90 days, write to:**

**Selective Service System  
Registration Information Office  
P.O. Box 94638  
Palatine, IL 60094-4638**

**Or call 1-847-688-6888**

## News From Lisa Vann, Spanish Teacher & Title III ELL Coordinator

Students in Mrs. Vann's Spanish classes and Spanish Club helped teach Boy Scouts about a Hispanic holiday "Day of the Dead" to earn a badge for their uniform. Community Service learning is a key aspect of understanding the world around us. Meghan Varga, Raiden and Maria Vann, Avery Faehling, Teagan Heck, Aiden Rock, and students in all Spanish classes decorated the Spanish room and prepared traditional "coffin cake" artifacts for students to learn 20 new vocabulary words in the Spanish language. Spanish students also helped the troop create two unique skeletons out of recycled milk jugs which are on display in the school LMC.

The tournaments in Almond will be as follows:

## Volunteer Spotlight

### Beginning Gardeners

Thank you to the Boy Scout Troop # 248 for their hard work in preparing the courtyard for the winter season. Beyond trimming down the dying plants, the boys also removed sand, replaced it with black dirt and donated some bulbs to plant in the courtyard. Their hard work deserves much more than just a thank you. A special thank you also goes to those parents who helped the Boy Scouts after school on Monday, November 7th.

### Thank You

Our family would like to thank the community for the generosity that you have shown. This has been a very long and difficult journey, but knowing that we have had the support and prayers of our family, friends, and community has made this journey a little easier. Richard continues to improve each day, though we are sure it will not be easy it is a step in the right direction. Thank you again for all that you have done, it means more than you can imagine.

Dick, Tammie, Michael, and Matt Pierce

## From the desk of Pat Leary

Dear Parent (s),

First of all, I want to thank all parents and guardian's who have kept their lunch bills paid up. I know it is hard to do so with the holidays fast approaching, we greatly appreciate it!

I also want you to remember that nutrition is a very important part of your children's lives! Getting a good start to the day by eating breakfast helps with concentration, improved test scores, and warding off the cold and flu bugs. We can tell by the breakfast counts that you are taking advantage of our breakfast program. We commend you.

We want to wish you all a very Merry Christmas and a Happy New Year!

Sincerely Yours,

Pat Leary, Food Service Director
