- 5/29-Graduation, 2:00 pm, West Gym
- 5/30-No School, Memorial Day

ALMOND-BANCROFT 2011 VALEDICTORIN AND ACADEMIC EXCELLENCE SCHOLARSHIP RECIPIENT

Danielle Dykes has been selected to receive the 2011 Academic Excellence Scholarship by earning the spot of valedictorian of the 2011 graduating class. Academic Excellence Scholarships, established in 1989 by the state Legislature, are awarded to Wisconsin high school seniors who have the highest grade point average in each public and private high school throughout the State of Wisconsin. The number of scholarships each high school is eligible to give out is based on total student enrollment. Almond-Bancroft, with a high school enrollment below 500, is able to award one senior this scholarship. In order to receive a scholarship, a student must be enrolled on a full-time basis at a participating University of Wisconsin, Wisconsin Technical College, or independent institution in the state by September 30th of the academic year following their graduation. The value of the scholarship is \$2,250 per year and is to be applied towards tuition. Half of the scholarship is funded by the state, while the institution matches the other half. Danielle has been very involved in both her school and community all four years of her high school career. High School Choir, Show Choir, and Solo Ensemble have been important activities of Danielle's since freshmen year. She has not only showcased her voice at state over the years but she also helps out at our basketball games every now and then singing the National Anthem. She has also been involved in athletics, especially volleyball. She has played both school and club volleyball along with coaching middle school students. Danielle has also been involved in many clubs and has held many positions within those clubs throughout high school. She has been a member of National Honor Society the last two years and is the current President, and she has been her class treasurer since freshmen year, in addition to also being the class President her senior year. She is the Chief Editor of this year's yearbook and is heavily involved in FFA and 4H. Danielle plans to attend UW-River Falls this fall and complete their Animal Science program before transferring to UW-Madison to obtain her Veterinarian degree. She would love to specialize in horses since they are a passion of hers.

ALMOND-BANCROFT 2011 SALUTATORIAN

Rabe Avery has earned the position of salutatorian for the 2011 graduating class. Rabe is a very respectful and responsible student who will do very well in college. He played for the football team his senior year of high school and was also a member of Student Council his senior year. He's been a member of the Almond Rod & Gun Club for five years and was on homecoming court his senior year and prom court his junior year. Rabe will continue his education by attending UW-Stevens Point this fall and majoring in Fisheries and Water Resources. Rabe has always been interested in natural resources, but he confirmed his major when he job shadowed at the Wild Rose Fish Hatchery this past October. He had the opportunity to help harvest fish eggs and has been excited to start his college degree ever since.

BADGER STATE GIRLS NEWS

Junior Amber Hintz has been selected to attend Badger State Girls at the University of Wisconsin - Oshkosh in June this summer. Thanks to the Almond American Legion Auxiliary Unit #339, Amber is able to attend this event free of charge! Approximately 700 young women from every part of Wisconsin come to Badger State Girls each year. The program is designed to teach young women about America's government and to remind them of the importance of the Constitution, which safeguards the principles of American heritage – justice, freedom, and democracy. To accomplish this, the girls will be grouped into cities and counties forming a "51st State." For six days, the citizens of the "new state" will carry out all the main functions of city, county, and state government using basic laws and fundamental procedures of the State of Wisconsin as their guide. This 2011 year will mark the 68th session of Badger State Girls, and we are happy to have Amber representing the Almond-Bancroft School District!

ATTENTION ALL PARENTS

If you have not registered your child for the **2011-12 4K Program at Almond-Bancroft** please call Sandy Barden, 715-366-2941 x329, as soon as possible so your child can participate.

High School Student Of The Week
March 7-11

I would like to nominate Zach Perzinski. He gets things done in the shop and can be counted on to do whatever needs doing. He is always helpful and leads by example, doing demonstrations and projects in the shop.

~ *Mr. Bennett*

High School Student Of The Week
March 28 – April 1

Jon Pieters is my Student of the Week. He is my TA and helps me out often. He built a beautiful shelf for me and even filled my reading fountain with water. He has made me countless copies, graded a ton of grammar worksheets, and eight times out of ten he will get a paper into the correct place in my filing cabinet. Thanks, Jon!

~ *Miss Brandt*

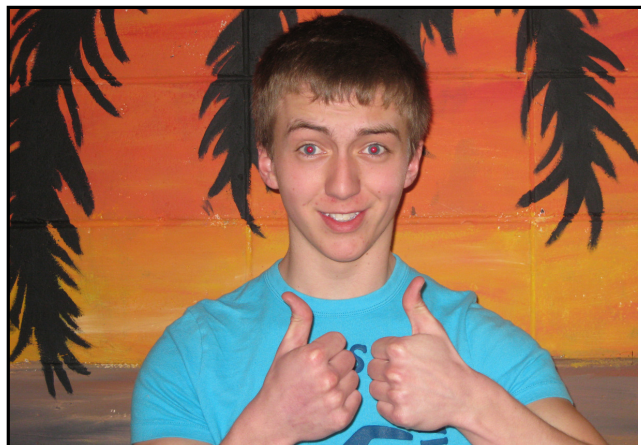

High School Student Of The Week
March 21-25

I have chosen Lucas Meddaugh to be the Student of the Week. As he did last year, Lucas continues to do well in math. Lucas is a top student in Calculus and even though it can be challenging, he continues to excel in class. Jon is also one of four students who has competed in the Advanced Mathematics portion of Math League this year. Nice job Lucas!

~ *Mr. Bradley*

High School Student Of The Week
April 4-8

I nominate Tanner Olson. Tanner walks into my class everyday with a smile on his face. He is ready to work and absorb new information daily. Tanner keeps a notebook full of beautiful Geometry work. He is ready and willing to help others and is an active participant in class. I am honored to be his math teacher this year. Tanner, you are an inspiring person!

~ *Mrs. Ciula*

Middle School Students Of The Month

One student is honored from each grade within the Middle School for their overall excellence as a student. These students are selected based on their overall academic achievements and proper behavior in the classroom. Achieving excellent performance for the month of March are: Colton Stanislawski, Ariel Plaski, and Natalie Romo.

From the sixth grade the winner is Colton Stanislawski. Colton is a positive influence in any classroom and is always willing to help others. He is a very intelligent student that works hard to ensure his academic success. He is a leader among his peers; always encouraging others to achieve greatness. Colton is a great student to have in class always adding good hearted humor and fun to the classroom setting.

From the seventh grade the winner is Ariel Plaski. Ariel wants to excel in school and is a very hard worker. She puts in all the effort needed to guarantee her success in her academics. She is an integral part of every classroom discussion, always willing to give her insight into the topics being discussed. If Ariel struggles, she is always ready to ask helpful questions in her search for understanding. She is an independent young lady who stands up for what she believes in. Ariel is a great presence in the classroom adding something positive to every discussion.

From the eighth grade the winner is Natalie Romo. Natalie is conscientious of her work and works hard to succeed in school. She participates in classroom activities and always has a pleasant outlook on the day to day classroom activities. She always has positive attitude towards both her peers and her teachers. Natalie is willing to ask good questions and really adds to any classroom. Her personality makes her a pleasure to have in the classroom.

Thank you for your hard work,
Congratulations!

Middle School “Penny Wars” For The Earthquake and Tsunami Fund

Here are the final results for the Penny War for Japan! Overall, the students raised \$447.70 for the victims of the Earthquake and Tsunami that occurred back in March. This donation will be made the Red Cross Japanese Tsunami Fund, on behalf of the Almond-Bancroft Middle School.

The winner of the Penny War contest is Ms. Hinton's Home Base who had \$71.70 in pennies!

They will receive a reward movie, and a healthy snack, as well as a special dress up day!

Thanks for all the effort on behalf of all the classes! Special thanks to the Portage County Bank staff, Mrs. Jolynn Wierzba, Ms. Jade Gutke and Ms. Linda Carlson, who took time on Friday, April 1 to count all that change and jars of pennies! They probably thought it was an April Fools trick!

Almond-Bancroft School District Vision Statement

We are a collaborative community focused on continued growth in opportunities, choices, and expectations for all students. We prepare self-motivated and responsible students to become well-rounded and successful citizens.

ALMOND-BANCROFT SCHOOLS HOMEWORK HOTLINE 715-366-2941

Extension 5,
MS HOTLINE PRESS 1, HS HOTLINE PRESS 2

This service is for parents and students. This will provide students and parents the option to call the hotline to listen to a recorded message containing the homework assignments for that school day.

Almond-Bancroft Schools hope that this service will promote better communication between school and community, as well as parent and student.

Safety Cadet News

By: Mrs. Upton, Safety Coordinator

Spring! This is my favorite time of year! April showers bring May flowers. Speaking of May... May is a very busy and exciting month for Safety Cadets! There are two trips to Wisconsin Dells that are planned. The first trip is for the top cadets. Those chosen few will be treated to a fun-packed, expense-free day touring the Dells. There is a voting process that includes the teachers and myself that will be taking place soon to decide who will be attending that trip. The other trip is also to Wisconsin Dells and that will include all the Safety Cadets that are in good standing. As we get closer to the date of the trip, permission slips will be sent home with your child. Both of these trips are sponsored by the Portage County Sheriff's Department.

Science Fair News By: Ms. Krueger

It's that time of year again; the Science Fair is here. Parents and community members will be able to view the Science Fair projects on two different dates.

The High School Science Fair projects will be on display May 19th before and after the Middle School and High School choral concert in the high school science rooms.

For Grades 6-8 the projects can be viewed before and after the Middle School and High School band concert on May 12th. The projects will be on display in the high school science rooms. Come see the projects that the students have worked on this year.

Family And Consumer Science News

Preparing Cookies for Family Read-In at Bancroft School

Independent Living students – Kelly Laurent, Steaphan Lishka, Dylan Schafer, and Angie Shackelford - were busy preparing 200 bear shaped cookies for the Family Read-In at Bancroft school, March 24. Based on the comments received from the student thank you notes, everyone really enjoyed the sweet treat. Great job class!

Secondary Counselor News: From the Desk of Ms. Spencer

Almond-Bancroft High School Awards Ceremony

Please join the Almond-Bancroft School District in honoring our students and their achievements!

When: May 17 at 7:30

Where: Almond-Bancroft Auditorium

Students will be acknowledged for their achievements in attendance, student council, and various academic departments. Senior scholarship recipients will also be recognized. The evening will conclude with the annual induction ceremony for the Almond-Bancroft Chapter of the National Honor Society.

National Honor Society Membership Candidacy

To be eligible for membership consideration, students must have a cumulative grade point average of a 3.2 and meet high standards of leadership, service, and character. Members of the sophomore class will be evaluated by a Faculty Council consisting of five members.

Leadership is based on a student's role as a participant in school and community activities, and election to offices. The service requirement is met by those actions taken by the student on the behalf of others, without personal compensation. Also reviewed is the student's attitude toward any service project. Character is measured in terms of integrity, behavior, ethics, and cooperation with both students and faculty.

2011 District Solo & Ensemble Results

Class A*1st

Datonn Ammel & Danielle Dykes- vocal duet, Datonn Ammel – musical theater solo, Danielle Dykes – classical voice solo, Datonn Ammel – classical voice solo, Rebecca Kallio – classical voice solo

Comment Only

Jasmine Luna, Ava Anderson, Alissa Williams, Katelynn Lehman, Ariel Plaski – Vocal Double Trio, Jessica Webster & Emily Demchik – vocal trio

RIF Contract Renewed!

I am pleased to announce that there are funds available for RIF books thru the calendar year 2011. Reading Is Fundamental (RIF) is the nation's largest nonprofit children's literacy organization. **Jeff Rykal** completed the necessary paperwork, and the contract for the Almond-Bancroft School District has been renewed. The last RIF distribution for this school year will be Tuesday, May 17, and there will be two more distributions next fall/winter. Our students are fortunate to receive these brand new FREE books from the federal government and our local district.

As explained on the RIF web-site, *"Magic happens when you give books to children: Eyes sparkle, smiles emerge, and imagination comes alive. That's the mission embraced by RIF - to motivate children to have a lifelong, life-changing love of reading. This ignites a hunger for knowledge and a passion for learning....The seeds of Inspiration in these books have motivated children to follow their dreams and achieve their potential. Yes, it seems incredible for a book to launch a life, but it happens every day as hungry, inquisitive young minds reach out and grab hold of the new people, places, and ideas that books bring them."*

April Donations

The LMC would like to thank the following people for their generous donations to the LMC: **Darin & Rena Laska** (an assortment of hardcovers, classic titles, and paperbacks), **Ed Poock** (a great baseball book and calendars), **Jamie Winn** (*Readers Digest* magazine), **Lynn Hintz** (magazines and a super assortment of books, CDs, DVDs, & videos), **Elizabeth Olson** (women's magazines), **Brad & Marguerite Baumgartner** (children's magazines), **Lowella Stucker** (magazines), **Mickey Van Ert** (magazines, books, and reading posters), and **Leslie Burns** (magazines). Thank you all for your support of the Almond-Bancroft LMC!

ATTENTION PARENTS

Immunization Requirements 2011- 2012

Tdap and Varicella Immunization Requirements for Students have changed. Students who have been current with vaccines may now need additional vaccines. Two vaccines have been added to improve protection against varicella (chicken pox) and pertussis (whooping cough). The required student immunization schedule may affect your student next fall, 2011.

The Wisconsin Student Immunization Law for the 2011-12 school year requires students to have completed the following vaccinations:

2 doses of varicella (chickenpox) vaccine for students entering grades Kindergarten, 1, 2, 3, 6, 7, 8, 9 and 12 in the fall of 2011.

1 dose of tetanus, diphtheria and acellular pertussis vaccine (Tdap) for students entering grades 6, through 12 in the fall of 2011.

*Pertussis vaccine is only available in a combined vaccine with tetanus (Tdap). Tetanus is a vaccine normally administered every 10 years. In order to boost the protection for pertussis Tdap will be required if it has been more than 5 years since your student has received a tetanus containing vaccine.

*Children who have had pertussis still receive the Tdap because the length of natural immunity from the disease is unknown and the diagnosis can be difficult to confirm.

There is no reason to wait. Avoid the late summer "back to school" rush. You can avoid lines and delay by having your child immunized well in advance of next fall's school opening. These vaccines are also available from your child's doctor.

The Varicella and Tdap vaccines (with other childhood vaccines) are available at immunization clinics sponsored by Portage County Health Department. Ruth Gilfry Building
817 Whiting Ave. Stevens Point
Tuesdays 3:00 pm- 6:00 pm Fridays 9:00 am-11:00 am

Each vaccine is \$5.00. Fees may be waived due to inability to pay.

If you need assistance verifying your child's immunization status contact your child's physician or Portage County Health Department at 715-345-5350. Ask for a public health intake nurse. Have your child immunized well in advance of next fall's school opening.

2011 Almond-Bancroft Yearbook On Sale!

This year only happens once.

The yearbook is a great way to share the events of the school year with your son or daughter. Don't miss out on everything they've experienced. Get your copy while you can!

PBIS – Teach More – Discipline Less: Mrs. Ciula, Dean of Students

Mr. Boxx mentioned PBIS in his “Notes from the Administrator” in last month’s newsletter. Positive Behavioral Interventions and Supports or PBIS is a framework, which schools across our nation have developed to create a more positive environment for students and staff by establishing clear expectations for students. We are taking active steps in teaching, modeling, and reinforcing appropriate behaviors school wide.

Staff has been meeting together in three groups (elementary, middle, and high school) during the course of the school year to determine the universal behaviors that will provide us with the expectations we are looking for here at A-B Schools. Many parents will find that what students learn from PBIS in school will carry over and parents will see positive behaviors in the home.

The two behaviors we began with starting the fourth quarter are: tardy to class and dress code.

Specific Guidelines for Tardies

Students need to be in their seats when the bell rings

Students must have all materials in class when the bell rings – if you need to go back to your locker for materials, you will receive a tardy

Specific Guidelines for Appropriate Clothing

Skirts and shorts need to be below fingertip length

Both shoulders must be covered

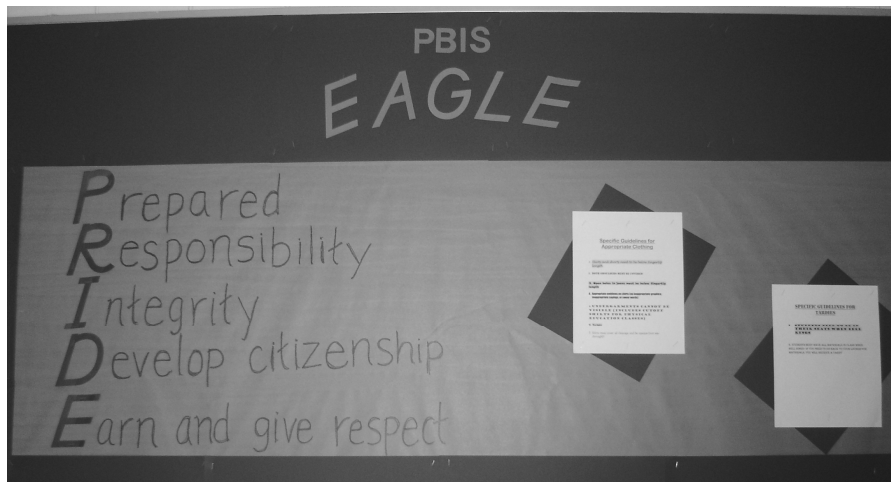

Open holes in jeans must be below fingertip length

Appropriate emblems on shirts (no inappropriate graphics, inappropriate sayings, or swear words)

Undergarments cannot be visible (includes cutoff shirts for physical education classes)

No hats

Shirts must cover all cleavage and be opaque (not see-through)

Forensics Team News: Mrs. Toni Schumacher

The Forensics Team Does Great at STATE!

Congratulations to the forensics team for a great showing at the state contest on Friday. In spite of schedule conflicts, rain, and a van too tall for the parking garage, the contestants did a wonderful job! Aiden Rock and Megan Varga both received bronze medals for poetry; Angie Iwanski and Hannah Lansing both received silver medals for prose; and Avery Faehling and Payton Hintz received gold medals for play acting. It was an excellent end to a great season – good job!

Collect These Items And Help Support Almond-Bancroft School Programs

MY COKE REWARDS FOR SCHOOLS

The My Coke Rewards for Schools program can help students learn and grow by turning My Coke Rewards points into rewards for accredited schools grades K-12, providing playground equipment, art supplies, sports gear, educational resources and much more.

You can help Almond-Bancroft earn by collecting points from codes found on participating Coca-Cola products. Go to www.mycokerewards.com/schools to donate points to Almond-Bancroft Schools.

HELP US EARN PLAY EQUIPMENT FOR THE BANCROFT SCHOOL

The Bancroft School is collecting Campbell soup labels to be redeemed for equipment for the school: computer games, play ground toys and/or manipulatives.

However, the rules for turning them in have changed. They no longer want the whole front of the label. They only want to UPC symbol. In fact, we will only be able to submit the UPC symbols from now on.

Thank you,
The Bancroft Staff

TAKE CHARGE OF EDUCATION

Apply for the Target RED card or if you already have one go to target.com and designate Almond-Bancroft as your school and Target will donate up to one 1% of your RED card purchases to Almond-Bancroft Schools.

BOX TOPS FOR EDUCATION

Start collecting Box Tops! Look for the 10 cent Box Tops coupon on hundreds of products. You can find Box Tops on brands such as Cheerios, Betty Crocker, Pillsbury, Ziploc, Kleenex, Hefty and more.

To see all participating products containing the Box Tops coupon go to www.boxtops4education.com.

JUNIOR CLASS ALUMINUM CAN COLLECTION & DROP OFF POINTS

Drop-off points for donated aluminum cans are in Bancroft at Schmidt Metals and in Almond behind the school.

The Junior class greatly appreciates your aluminum can donations!

From the desk of Pat Leary

Dear Parent (s),

It is that time of year again. The school year is rapidly coming to a close, those lunch bills and morning milk bills need to be paid up for student clearance. You have done a great job keeping bills paid up! You will receive a credit in the fall for the remaining amount you may have left.

Remember, we will be having Summer School starting June 13th. Every student in our District up to age 18 is entitled to a FREE breakfast and lunch, whether you attend summer school or not. Adults can also receive a meal, \$2.75 for a lunch and \$1.75 for a breakfast. Free breakfast (8:00-8:30 am) and lunch (12:30-2:00 pm) will be served June 13th –30th and July 11th-28th.

Sincerely Yours,

Pat Leary, Food Service Director

Connie Kaehn, Head Cook

Teresa Gutke, Assistant Cook

"This institution is an equal opportunity provider"

Portage County Farm To School Program

Portage County Farm to School is featuring spinach for May's Harvest of the Month. During lunch on Tuesday, May 17th, all students will have the opportunity to try local spinach. We encourage you to discuss with your students or children how they enjoyed trying the spinach salad.

One serving (one cup fresh for children, 2 cups for adults) of spinach provides more than 100 percent of the Daily Value (DV) for Vitamin A. It also provides more than four times the recommended DV for Vitamin K. Spinach is also the richest plant source containing folate. There are many ways to incorporate spinach into your diet. Use fresh spinach to make a tasty salad. Add chopped spinach to spaghetti sauce, scrambled eggs, on top of a pizza, in lasagna, or soup.

Please feel free to contact your Portage County Farm to School Representatives with any comments, questions, or if you would like to lend a hand. Maggie Stremkowski: stremkowskim@co.portage.wi.us and Kelly Smith: smithke@co.portage.wi.us

Simple Spinach Salad – serves 4

4 cups fresh spinach

1 cup grated carrots

½ cup raisins

Light vinaigrette such as honey-mustard to taste

Toss all ingredients and enjoy!

Child's name _____ Age _____ Area of concern: _____

Do you receive the School District Newsletter? Yes/No

Have there been any new residences established in your neighborhood or area? Have any new families moved into already existing homes? If so, please give any details you may have (Name, Address, Phone Number).

WELCOME TO ALMOND-BANCROFT SUMMER SCHOOL 2011

Dear Families,

We are pleased to be offering our 2011 summer school program. Please take a moment to review the program guide to assist you and your children in determining what classes are appropriate and interesting.

There is a nice selection of classes that cover reading, writing and math, fitness activities, outdoor activities, games, art activities, world culture classes, and several cooking classes. We will be offering swimming lessons again this year at the YMCA in Port Edwards, there will be no charge to participate. **We ask that you only sign up for one session of swim lessons to allow all students an opportunity to take part in this very popular and beneficial course.**

Each student enrolled will receive a free summer school t-shirt! Students need to be enrolled in one or more classes and return the attached registration with their size indicated on the registration to receive the t-shirt.

We will be offering a breakfast and lunch program for all students in the Almond-Bancroft School District. All students are welcome to eat regardless of whether or not you take part in the summer school program.

Breakfast will be served Monday-Thursday 8:00-8:30 and lunch will be served 11:30-12:30. This program is free to any student in our district.

We will be offering transportation from Bancroft to Almond. The students will be picked up Monday-Thursday at 7:45 AM at the Bancroft Fire Department and will return approximately at 4:00 PM.

There are two ways to register for classes;

- 1) By filling out the registration form and returning it to school **on or before Friday, May 20, 2011**, or
- 2) By calling Trina Warzynski at 715.366.2941 ext. 422 **on or before Friday, May 20, 2011**

We ask that when you register your children, please indicate first, second, third choices, ect.

Remember, you are not required to take part in all six weeks, you may attend any or all of the program. Except if your child will be participating in swim lessons they may be dropped from the program if they miss more than 2 lessons.

If you have any questions, please feel free to call Jeff Rykal at 715.366.2941 ext. 416. Thank you!

Boys & Girls Club of Portage County

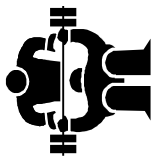

The Boys & Girls Club of Portage County will be offering a program Monday-Thursday June 13th through July 28th from 12:30-5:30 PM for students entering grades 3rd-8th. They will be closed on Monday, July 5th, due to the holiday. A variety of activities are planned for the summer. The program will take place at the Almond School in the Boys & Girls Club room.

Jeff Rykal
PreK-12 Principal

Summer School 2011

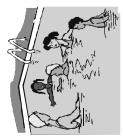

SESSION 1: June 13 - June 30 SESSION 2: July 11—July 28 Monday—Thursday

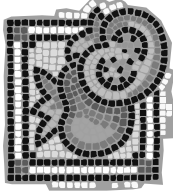

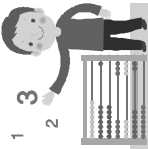

Please take some time to read through the available offering we have for our program this summer. Check your summer schedules with the information below and select classes that will meet your child's needs. **Registration will be via telephone (715.366.2941 ext. 422) on Monday, May 9, 2011, beginning at 8:30 AM or by returning the enrollment sheet included in this mailings.** Keep in mind that students should be registered in reference to the school grade they will be in for the 2011-2012 school year, unless the course description states otherwise. If you have any questions, call Mr. Rykal at 366.2941 ext. 416. **Registration will be closed as of Friday, May 20, 2011. Some courses do have enrollment limits, so register early! In order for a class to be held a minimum number of students need to be enrolled for the class to take place.**

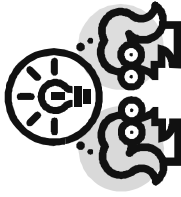

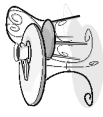

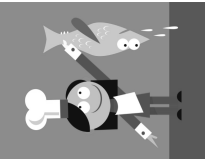

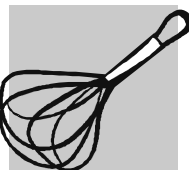

<u>CLASS</u>	<u>INSTRUCTOR</u>	<u>DATES/TIMES</u>	<u>AGES</u>	<u>DESCRIPTION</u>
Strength and Conditioning	Mr. VanderLaan	Both Sessions Monday-Thursday 8:00 - 10:00 AM	For students entering grades 6-12	Students will learn how to safely and properly lift weights using the Bigger Faster Stronger (BFS) principles. Students will be tested on their dot drill, 20 yard dash, vertical jump, long jump, and the sit and reach. For students entering 6-12th grades.
EXTREME Fitness	Mr. VanderLaan	Both Sessions Monday-Thursday 10:00-11:30 AM	Grades 10-12 (Must have either taken two semesters of fitness and weights or one semester of fitness and weights and one summer session of fitness and weights.)	EXTREME Fitness is an advanced fitness class geared for the highly motivated student that wants to get in the best shape of their life. In this class, we will follow the P90X Extreme Home Fitness program. P90X is a powerful yet flexible program that can help you lose excess fat, gain lean muscle, prepare for athletic events, excel at sports, and improve your overall health.
Credit Recovery	Mr. Peterson	To be Arranged	Students entering grades 7-12	Middle and High School students will be given the opportunity to earn credits needed towards graduation. Students that need additional work in particular academic areas will receive an invite letter from the Secondary Guidance Counselor, Ms. Spencer. (715-366-2941 ext. 414)

<u>CLASS</u>	<u>INSTRUCTOR</u>	<u>DATES/TIMES</u>	<u>AGES</u>	<u>DESCRIPTION</u>
 Fitness Activities and Games	Mr. Young	Sessions 1 and 2 8:30-11:30 AM	For students entering grades 3-5	This class will be filled with fun and games that will keep the students physically active. Students will have the opportunity to improve their physical fitness and learn to cooperate with other students in a fun and positive environment.
 Oh What Buggy Fun!	Mrs. Hintz	Sessions 1 and 2 8:30-11:30 AM	For students entering grades K-2	Students will take a closer look at the outdoors and some of their bug friends who live there. Through many fun-filled hands-on activities and outdoor exploration, they will learn about many of our six and eight legged friends. This course, though offered last summer, will be filled with vastly new activities for students to enjoy and learn from.
 What's Cooking?	Mrs. Dunn	Session 1 Only 10:00-11:30 AM 12:30-2:00 PM	Students Entering: Grades 3-5 Grades 6-8	Have you ever wanted to learn to cook or just enjoy cooking? Then this is the class for you. We will have fun following the recipes and making the foods in class. The best part is eating what we make! Here are just a few items we will be preparing: bread dough, caterpillars, puppy chow, cutout cookies, caramel bars, and fruit pizza. Come hungry!
 Swimming Lessons	YMCA Staff Port Edwards	Sessions 1 and 2 12:45-4:00 PM	For Students entering grades K-6	Lessons will be taught to students entering grades K-6. The bus will leave the Almond School at 12:45 each day and will return before 4:00 PM.
 Readers and Writers Camp	Ms. Kranz	Session 1 only 12:30-2:00 PM & 2:00-3:45 PM	Students entering grades 6-8	Middle school students will explore popular children's books by authors including Kevin Henkes, Dr. Seuss, Eric Carle, and Chris Van Allsburg. The students will learn about the elements of a book and the writing process through the six traits. The class will culminate with students writing and illustrating their own children's book.
 Exploring World Cultures	Ms. Kranz	Session 2 only 12:30-2:00 PM & 2:00-3:45 PM	Students entering grades 3-5	Explore cultures from around the world including Asia, Europe, and Africa. Students will learn about the food, clothing, art, music, and literature of the cultures. Students will have the opportunity to enrich their reading and have fun through hands-on projects and activities.
 Reading Counts!	Mrs. Erickson	Session 1 and 2 8:30-11:30 AM	Students entering grades K-2	In this class, students will learn various reading and math skills by immersing themselves in adventurous stories and tales.

<u>CLASS</u>	<u>INSTRUCTOR</u>	<u>DATE/TIMES</u>	<u>AGES</u>	<u>DESCRIPTION</u>
 <p>SUPER SCIENCE</p>	Mrs. Hintz	Session 1 and 2 12:30—3:45 PM	Students Entering Grades K-2	<p>SUPER SCIENCE - Have fun learning about science as you perform experiments, build erupting volcanoes, and make new discoveries in this exciting hands-on learning course. Some of the topics you will learn about include gravity, magnetism, floating and sinking, static electricity, bouncing and bending light, and much more!</p>
<p>Math and Reading Enrichment</p> 	Mr. Baumgartner	Session 1 Only 8:30-10:00 AM	Students entering grades 3-5	<p>This course will concentrate on individual instruction of math and reading. Instruction will be individualized based on the level of each student enrolled in the course.</p>
<p>Athletic Skills and Training</p> 	Mr. Baumgartner	Session 1 Only 10:00-11:30 AM	Students entering grades 3-5	<p>This course will include training skills and fundamentals for the extra-curricular sporting events: throwing, catching, dribbling, shooting, etc.</p>
<p>Mosaic Art</p> 	Mrs. Ritter	Session 2 Only 8:30 –11:30 AM	Students entering grades 5-8	<p>Students in this class will design and create their own mosaics and work together to make mosaics that will be permanently installed in our school's courtyard. Unique pieces of art that express student personalities and interests will be created using clay, glass, tiles, and found objects. New skills, imagination and teamwork will come together to create art to be enjoyed by our students, staff, and community for years to come. Those enrolled in this class must be committed to attending regularly and participating fully.</p>
<p>Around the World in 12 Days</p> 	Mrs. Vitello	Session 1 Only 8:30—11:30 AM	Students entering grades 6-8	<p>In this course we will be traveling to different countries to learn about their culture by exploring literature, Goggle Maps, and doing research. We will also do some basic math lessons, a weekly project, and explore our world. Are you ready to go on this adventure with me? All aboard the Vitello Express.</p>
<p>Camp Out This Summer for Literacy</p> 	Mrs. Vann	Session 1 only 12:30-3:45 Pm	Students entering grades 3-5 Parents Welcome!	<p>“Camp Out” in comfortable seating areas to feed out minds and have various cooking ideas and literacy concepts for the whole family such as: Read More With Smores, Tents and Flashlight Reading, Locomotion to Literacy: Getting on the Write Track, Sleeping Bags, Grammar Gramma, and Earn and Learn.</p>
<p>Math is Fun!</p> 	Mrs. Nee	Session 2 only 8:30-10:00 AM	Students entering grades 3-5	<p>In this class, students will review math facts and learn new skills while playing games and participating in other fun math related activities. This class is for any student in grades 3-5 that would like to have fun with math.</p>

<u>CLASS</u>	<u>INSTRUCTOR</u>	<u>DATE/TIMES</u>	<u>AGE</u>	<u>DESCRIPTION</u>
What Lives at School? 	Mrs. Mechenich	Session 1 Only 8:30-11:30 AM	Students entering grades 6-8	What lives on the playground at Almond Middle School—and Why? In this class we'll learn about plants, animals, water, soil, and more as part of the study of ecology—the science of how living things relate to their environment. We'll strengthen our powers of observation, play games, and use reading, writing, and math as tools. Plan on spending lots of time outside!
Build It! 	Mrs. Mechenich	Session 2 Only 8:30– 11:30 AM	Students entering grades 6-8	This class will be filled with challenges for the young engineer! We'll build skyscrapers and roller coasters, check the sun's power, clean up polluted water, and much more. Reading, writing, and math will be some of the tools we'll use to make our creations and to learn about the jobs that engineers do.
Creative Writing 	Mrs. VanderLaan	Session 2 only 12:30-2:00 PM & 2:00-3:45 PM	Students entering grades 3-5	This class explores all types of creative writing: poetry, short stories, plays, journals—even songs, cartoons, recipes, and advertisements! You will learn how to express your voice through your writing, where to find good topics, and how to develop your words and sentences. You will even have a chance to write and illustrate your own book!
It's All About Me! 	Mr. Collins	Session 1 Only 8:30-11:30 AM	Students entering grades 7-8+	Do you know who you really are and what you would like to become in the future? This class is about collecting pictures, reading short stories, writing poetry, creating your own news articles, diving into mythology, and having a good time. We will also plan and implement one or more service projects to help the local community. Most importantly, this class is about you. Each day there will be a new adventure to learn and experience. It's time you make it happen!
It's a Mystery (language arts) 	Mr. Collins	Session 1 Only 12:30-3:45 PM	Students entering grades 3-6	Are you innocent or guilty? In this class we will read short mystery stories and then play out the parts of the characters in order to decide the fate of those who are on trial. We will then work as a class to write our own short mystery story using plot, setting, characterization, point-of-view, and foreshadowing and more. You'll be the judge, jury, and author of the next big mystery.
Storybook Café 	Mrs. Nee	Session 2 only 10:00-11:30 AM	Students entering grades 3-5	In this class, students will be able to relate books to cooking while making tasty treats. We will learn basic kitchen safety, basic cooking skills, nutrition, and the importance of making healthy choices. Students will leave this class with their very own cookbook.

<u>CLASS</u>	<u>INSTRUCTOR</u>	<u>DATE/TIMES</u>	<u>AGE</u>	<u>DESCRIPTION</u>
 Games Galore!	Mrs. Ramczyk	Session 1 Only 12:30-3:45 PM	Students entering: grades 3-5	Come and learn to play games of all kinds! Board games, card games, outside games, and computer games — we will explore some of each. Some games you may already know and others you may learn for the first time, but it is certain you will have fun. Win, lose, or tie, inside or outside, come join the fun of Games Galore!
 The Great Outdoors!	Mrs. Erickson	Session 1 and Session 2 12:30-3:45 PM	Students entering grades K-2	Learn more about the great outdoors! This class will focus on learning more about wildlife, plants, and classic outdoor activities such as hiking and fishing. Come join us as we explore the environment around us.
 Junior Chef	Mrs. Grezenski	Session 1 only 2:00—3:45 PM	Students entering grades 6-8	The Jr. Chefs class is designed for students in grades 6-8 and offers a well-rounded approach to teaching children the skills necessary to develop their love of cooking. Not only will we be cooking , we will be plunging into knowledge from the basic cooking skills. In truth, any recipe prepared at Junior Chef is a chance to explore many topics of study in a fun and interactive setting. Junior Chef classes are designed to allow creativity to mesh with culinary techniques for exciting results! Each unique session is designed to familiarize children with diverse foods, while they experience what it feels like to create and taste scrumptious recipes themselves! Building self-confidence, creativity and a life-long skill are important ingredients to this class.
 Cookin' Around the World!	Mrs. Grezenski	Session 2 Only 12:30-3:45 PM	Students entering grades 6-8	The International Cooking class applies basic cooking skills to create and taste dishes from around the world. Teaching children how to make ethnic dishes not only establishes basic cooking techniques, but also introduces children to other cultures through activities, projects, and tasty ingredients. While eating the finished dish at the end of this class, music and games will be played from the country of origin to complete the cultural experience.
 Kidz Kitchen	Mrs. Grezenski	Session 1 only 8:30-10:00 AM	Students entering grades 3-5	Kids Kitchen is an educational program that teaches children the principals of healthy and nutritious food by getting them involved! Children will learn basic cooking skills along with kitchen safety and cooking with nutritious foods. Some topics include measuring techniques, reading a recipe, using kitchen tools, and fun in the kitchen!
