**STUDENT FEES**

While the School Board recognizes its legal responsibility to provide a public education for all students in the District, the Board also recognizes that certain educational program activities and materials may require special funding. Therefore, reasonable student fees may be charged accordingly. A student fee schedule shall be reviewed and adopted annually by the Board.

Parents/guardians who claim that the financial conditions of their families are such that they cannot afford to pay the established fees may request that the fees be waived. All fee waivers shall be approved by the District Administrator.
