

ALMOND-BANCROFT SCHOOL DISTRICT
Board Policy Manual

762

VENDING MACHINES
(Beverage Dispensing)

The School Board shall approve any contracts related to private vending companies that desire to house vending machines in the school or have an interest to distribute their product in the school.

Beverage dispensing machines shall be maintained by the private company. Beverage dispensing machines shall not be housed in the school cafeteria, multi-purpose room or other areas where federal meal programs are being sponsored.

The dispensing of beverages shall be regulated by the school administration and comply with state and federal regulations and applicable District policies and procedures

Profits from the sale of beverages shall be deposited in a student activity account. The expenditure of money from the sale of beverages shall be directed to benefit students in the District.
