YOUTH OPTIONS PROGRAM

Any eligible student may participate in one or more courses at a University of Wisconsin System institution, a participating tribally controlled college, a participating private, not profit institution of high education located in Wisconsin or a Wisconsin Technical college System school under the Youth Option Program. The Board shall determine whether the course(s) satisfies graduation requirements, if the course is comparable to one offered in the District and what, if any, high school credits would be awarded to the student.

If such course(s) is approved for high school credit and the course is not comparable to a course offered in the District, the Board shall pay the tuition and fees for the course.

- The District shall pay for no more the equivalent of 18 postsecondary semester credits (4 ½ high school credits) per student through the Youth Options Program.

- The District will pay only for the courses successfully completed. If a student receives a failing grade in a course or fails to complete the course, the student's parent/guardian or the student, if an adult, is responsible for reimbursing the District for payment of the tuition and fees paid by the District. If this reimbursement is not made, the student on whose behalf the payment was made is ineligible for any further participation in the Youth Options Program.

Information about the Youth Options Program shall be distributed to ninth, tenth, and eleventh grade students annually in accordance with established procedures.
