*Notes from the Administrator....*

Just as we depend upon the month of May to come each year, bringing with it the promise of summer, many people would rely upon “MAYBES” when providing young people with an education that brings with it the promise of a bright future filled with opportunities.

MAYBE...the partnership between the school and parents is not vital. Partnerships take time and commitment; both parents and teachers have too little time too many commitments.

MAYBE...communities can reduce the amount of support given to schools. The resources, time, and energy that it takes to make successful schools can be used for “higher” priorities.

MAYBE...students have no responsibility for their own education. Students who are not succeeding in school simply have not been properly motivated by educators.

MAYBE...schools should look like they did “when I went to school”. The fact that the rest of society and every institution in the country has made significant changes doesn’t mean education should change.

MAYBE...there isn’t time to help children with homework. When considering all of the other opportunities for young people it is unrealistic to find time for studying.

MAYBE...standards in school are just too high! The fact that our children need to compete with children around the globe doesn’t mean they should be provided with a challenging curriculum.

MAYBE...parents should keep concerns or questions regarding their child’s education to themselves. Perhaps teachers are just too busy to devote attention to the needs of one family.

MAYBE...if I don’t get actively involved in the activities and programs provided by the schools somebody else will.

MAYBE... MAYBE... MAYBE... MAYBE...  
**IMPORTANT NOTE...MAY WILL COME AROUND EACH YEAR,  
 “MAYBES” SELDOM DO!**

## Class of 2019 Valedictorian

Emily Takacs has earned the spot of Valedictorian for the 2019 graduating class. Emily has consistently proven herself to be an excellent role model and leader. She is our National Honor Society Vice President, and has been a participant in Quiz Bowl, Math League, Student Council, Band, Softball, FBLA, and Forensics. Emily is a very well-rounded student and has shown great character, cooperativeness, dependability, and leadership in everything she does.

Emily's great attitude, compassion for others, and enthusiasm for both her school and community reflect her character and commitment.

Emily's advice to underclassmen: "Do your best to focus in class... The learning now is less about every little bit of information, but rather building a foundation of skills to grow even further after high school."

We wish her luck at UW-Madison as she begins her studies in Art.  
Congratulations Emily!

## Class of 2019 Salutatorian

Emaleah Matke has earned the spot of Salutatorian for the 2019 graduating class. Emaleah has been very involved in our school and community. She is President of National Honor Society and has participated in Spanish Club, Student Council, Band, Drama, Choir, and Show Choir. Through this involvement, she has been involved in a number of community events and fundraising opportunities. As a member of NHS, she always brings a great attitude and willingness to help. She helps each year with an NHS fundraiser (both community fundraisers and scholarship fundraisers), community clean-up/raking, and Adopt-a-Highway. Emaleah is extremely hard working, is very motivated, and conscientious.

Emaleah's advice to underclassmen: "Put forth your best work in your classes, while taking time to enjoy what you love."

We wish her luck as she begins her studies in Comprehensive Instrumental and General Music Teaching at UW-Eau Claire.  
Congratulations Emaleah!

## April Showers Bring May ... Plowers

With Spring upon us, and the floods behind us, we now hear the familiar sounds of tractors preparing the fields for planting. For many of us, this has become a comforting sound, reminding us of the new growth that will soon come to our currently barren fields. Other sounds of Spring include the sharp crack of a baseball/softball jumping off one of our AB Eagle's bats followed by the cheers of the crowd and the joyful sounds coming from the band and choir groups as they rehearse for the Spring concerts. Spring is a time for rejuvenation and celebration of things to come.

At AB Schools, Spring is a time that we celebrate the accomplishments of students. I've grown to appreciate, over the years, the amazing opportunity I have to be a part of your children's lives from the time they start 4-year old Kindergarten through their high school graduation. This is the time of year we celebrate our traditional milestones including; 4K graduation, elementary awards ceremonies, middle and high school awards ceremonies, 8th grade promotion, and high school graduation.

We spend much time planning for our students' futures. Our anxious Seniors are busy mapping out their next move, whether that be college, tech school, other preparations for a career, and for some entrance into Military service. Our younger scholars are planning out their schedules for next year hoping to be able to acquire the courses they would like, and are looking forward to a bit of time off over the summer to recharge.

Teachers are working hard to keep the students focused on their studies and not simply daydreaming about summer plans. The staff are also strategizing about how to make it through all the required course curriculum, knowing that May goes by in the blink of an eye. The staff have built strong relationships with each of our Senior students, and though we will miss them next year, we are all so very proud of the young adults they have become and look forward to the seeing their continued growth when they leave the Eagle's nest that is Almond-Bancroft.

### **Almond-Bancroft School Board names district administrator**

The Almond-Bancroft School Board has named Penny Boileau of Kansasville as the new district administrator, effective July 1. She will succeed Interim District Administrator Dennis Raabe.

Boileau is currently the superintendent of the Brighton School District. She previously served six years as superintendent of the Winter School District and as an elementary principal in Green Bay and Wautoma. She began her career in education as an elementary teacher in Marion.

"It is my mission as an administrator to ensure all students have access to and receive a quality education," Boileau said. "A school is where students are engaged in learning, teachers strive to deliver quality instruction and everyone is committed to excellence."

A former instructor in higher education at the University of Wisconsin-Stevens Point from 2002-2004, she holds a doctorate in educational administration and business from UW-Milwaukee. Her thesis topic focused on the implementation of school improvement programs.

Under her leadership the Brighton School District has been named a Grade A school district by the Wisconsin Department of Public Instruction with a DPI School Report Card rating of Significantly Exceeds Expectations. The Winter High School earned the School of Excellence Award from *U.S. News & World Report*.

"Penny not only has extensive experience leading small school districts to excellence, she has a real passion for working with teachers, staff, students and parents to ensure the best education possible for every student," said A-B School Board President Bonnie Warzyinski. "She realizes there isn't just one way to teach or one way to learn."

Boileau was selected from a field of twenty-two applicants.

# SENIOR PORTRAITS FOR THE YEARBOOK

**To:** Parents and Members of the Class of 2020

**From:** Eagle Publications Yearbook

**Senior Photo Submission Deadline: Friday, December 6<sup>th</sup> 2019**

Congratulations on your successes! The following information will help you plan for your senior portraits and ensure that the photo in your child's yearbook will be treasured. You may submit a photo taken by a professional photographer of your choice, as long as your submitted photo meets deadline, aesthetic and technical specifications. It isn't too soon to schedule your senior portrait sitting with your favorite photographer.

The purpose of the senior photo policy is to promote clarity and recognition of students and to discourage controversial submissions.

The photo must be a head and shoulders shot of the student (from the waist up is acceptable). No profiles please (both eyes of the senior should be visible).

The photo should be submitted without any writing on it (the name of the photographer's studio, etc.).

The staff designs the book for portrait pictures only (landscape photos will be cropped).

The photo must not have an all-white or all-black background, as these photos often look like "cut-outs"

The photo must not contain props, pets, or persons other than the senior (props include vehicles, sports equipment, instruments, etc.). Pictures taken in a natural environment look best.

Students in the photo must follow the school dress code. Although it is usually Summer when photos are taken, students must have their bodies adequately covered. No cleavage. No hats. No inappropriate logos on t-shirts.

**Due to copyright laws, your photographer must submit a senior portrait to the yearbook staff and grant his/her permission for the yearbook staff to publish the photograph. The best way to do this is to have the photographer send an e-mail to Mrs. Rykal which releases the photograph for publication in the Almond-Bancroft Yearbook with the photo attached. Photographers should note that these photos are also used for the senior video at the graduation ceremony and submitted to the Waushara Argus Paper and the Stevens Point Journal.**

If you will not be using a professional photographer to take your senior's photo, the student may ask Mrs. Rykal to take a quality photograph of him/her in a local indoor or outdoor setting. You may also submit an unprofessional photo as long as the picture is well focused and has a high resolution. If no picture is submitted, the school photo will be utilized.

Enjoy the upcoming, fast-paced year with your senior! Thank you for your cooperation and feel free to contact Mrs. Rykal if you have any questions.

Mrs. JB Rykal

Yearbook Advisor (jbrykal@abschools.k12.wi.us)

# WELCOME TO CAMP EAGLE

## Where Kids Come to Soar

Dear Families,

We are pleased to be offering our 2019 summer school program which will be called Camp Eagle. Please take a moment to review the program guide to assist you and your children in determining which classes are appropriate and interesting.

There is a nice selection of classes that cover reading, writing and math, fitness activities, outdoor activities, games, computer activities, science activities, and much more. We will be offering swimming lessons again this year at the YMCA in Port Edwards. There will be no charge to participate. **We ask that you only sign up for one session of swim lessons to allow all students an opportunity to take part in this very popular and beneficial course.**

**Each student enrolled will receive a free camp water bottle! Students need to be enrolled in one or more classes to receive one.**

We will be offering a breakfast and lunch program for all students in the Almond-Bancroft School District. All students are welcome to eat regardless of whether or not you take part in the summer school program. Breakfast will be served Monday-Thursday 8:00-8:30 AM and lunch will be served 11:30 AM-12:00 PM. This program is free to any student in our district.

We will be offering transportation from Bancroft to Almond. The students will be picked up Monday-Thursday at 7:45 AM on the south side of the Bancroft Lions Park and will return at approximately 4:15 PM.

### **HOW TO REGISTER FOR CLASSES;**

- 1) Go to the District Webpage: [www.abschools.k12.wi.us](http://www.abschools.k12.wi.us)
- 2) Click on the "Camp Eagle 2019" link
- 3) Complete the online registration form **on or before Friday, May 17, 2019**

If you do not have access to the internet to complete the registration, you are welcome to come to school and we will assist you in registering for your child(s) classes. You may also request a paper copy by calling **Trina Warzynski at (715)366-2941 ext. 422**

Remember, you are not required to take part in all six weeks; your child may attend all or just portions of the sessions. The exception to this is if your child will be participating in swim lessons. Due to the fact that there is limited slots for the swim program, your son/daughter may be dropped from the program if they miss more than 2 lessons. If you have any questions, please feel free to call **Jeff Rykal at 715.366.2941 ext. 123 or Adam Stead at 715-366-2941 ext. 304.** Thank you!

### **Boys & Girls Club of Portage County**

The Boys & Girls Club of Portage County will be open this summer Monday-Thursday from 12:30-5:30 PM during the weeks of summer school. The BGC will offer a variety of engaging programming for students entering grades 1-12 during the summer school day. The BGC will remain open each day after summer school until 5:30 PM and will provide a free snack and more programming for students to enjoy.

The Boys and Girls Club will also be available the two weeks after session two of summer school, July 29 - August 1 and August 5-9! During these weeks, the BGC will be open Monday-Thursday, 8:00 AM - 5:30 PM. BGC will be providing a free breakfast, lunch and snack as well as bussing from and to Bancroft. Pick up and drop off will be at the Bancroft Lions Park at 7:45 AM and 4:15 PM.

To participate in Boys & Girls Club programming, students must become active members by completing a membership application and paying the \$10 annual membership fee.

There is an additional Summer Enrollment Form that will need to be completed in order to attend during the two additional weeks after summer school. Please contact the site director at [angela.iwanski@bgclubpc.org](mailto:angela.iwanski@bgclubpc.org) or 715-204-1183 for enrollment information and with any questions.

# Camp Eagle Course Descriptions

**Session 1: June 10-June 27**

**Session 2: July 8-July 25**

**Monday-Thursday**

Please take some time to read through the available offerings we have for our program this summer. Check your summer schedules with the information below and select classes that will meet your child's needs. **To register, return the enrollment sheet included in this mailing or schedule electronically using the link on the schools homepage.** Keep in mind that students should be registered in reference to the school grade they will be in for the 2019-2020 school year, unless the course description states otherwise. If you have any questions, call Mr. Rykal at 715.366.2941 ext. 123 or Mr. Stead at 715-366-2941 ext. 304. **Registration will be closed as of Friday, May 17, 2019. Some courses do have enrollment limits, so register early! In order for a class to be held a minimum number of students need to be enrolled. If minimum enrollments are not met, courses may be cancelled. If you register past May 17th, you might not get the exact classes that you want so register early.**

And all my friends & family that come together on the day of the hunt to make this event happen! Leslie Burns & her mom Kathy Richtmyre, Wendy Smith, Sylvia Merila, Alana Chilsen & my daughter Gracie Rendall along with my inlaws Phil & Dalene, my sister Kristen with her grandchildren Brooklyn & Parker.

Al & I have had a blast doing the annual Easter Egg Hunt for Almond for 7 Years! This year we had 111 children at the hunt over 3000 eggs and a prize for every child. Corrinne Pratt & her family will be taking over the Hunt and putting their own spin on it! I will be giving her all the donors addresses & will help her get it going. I know she'll be GREAT!

Thanks for all the fun!  
Jen & Al Rendall
