Notes from the District Administrator

Winter in Wisconsin can bring all sorts of weather from extreme cold, blowing snow, mild sunny days, or even freezing rain. For me, the best part about being in the midst of winter is thinking about summer school. I also enjoy this time of year as it is when we start to plan for next year, which is always refreshing and invigorating. We are committed to providing excellent opportunities for our students to learn and grow, so we are excited to present information on some possible changes to our 4-year-old kindergarten program and also to present our summer school.

We are requesting input from parents and community members as we consider a new delivery model for our 4-year-old kindergarten (4K) program. As part of our commitment to excellence in education for our children, we are seeking to develop a program that will provide more consistency in learning. Currently, our 4K students attend school two full days each week. This leaves gaps in learning time; therefore time is being used to review and re-learn material rather than to expand and enrich learning. We propose offering 4K programming four days each week in ½ day sessions in conjunction with an option for parents to enroll their children in an Extended Learning Center right here in school the other half of the day creating an all-day experience. Please read the information about our proposal in this newsletter and send us your feedback. We would love to hear from you.

Summer school is creeping up on us. In order to be prepared, we must start the planning process. Our purpose for offering summer school is to provide our students with opportunities to “play to learn” through engagement, enrichment, and exploration. All students attending summer school will participate in a variety of activities incorporating recreation, sports, culture, the fine arts, literature, and STEM (science, technology, engineering and math). There will also be other fun activities based on the natural curiosity students have to learn about the world around them. They will inquire, discover, experiment, create, build, and achieve. Watch for registration and join us for the fun!

Happy Valentine’s Day!

Almond-Bancroft School District Vision Statement

We are a collaborative community focused on continued growth in opportunities, choices, and expectations for all students. We prepare self-motivated and responsible students to become well-rounded and successful citizens.

Almond-Bancroft School District Mission Statement

The Almond-Bancroft School District, with support of families and community members, will provide a safe and supportive learning environment, which challenges and prepares each student for success today and tomorrow.

PreK-12 Principal Message

Common Denominator

Jeff Rykal
PreK-12 Principal

First, let me start out by saying that I'm a self-proclaimed math nerd, but I do recognize the phrase "common denominator" may have just brought back some not so pleasant memories from your school age years. However, with the month of February upon us, I've been thinking about Valentines Day, a time to recognize those that mean the most to us. Now in my twentieth year in education, the common denominator that I've found when working with parents is ... the love for their child. As a parent myself, that unconditional love for my children is what drives me to do my best to provide them with the opportunities they need to be successful when they leave the nest.

At Almond-Bancroft Schools, we recognize our parents' love for their children, as well as our parents' drive for providing their children with the best possible educational opportunities. We, as educators, are always trying new ways to reach our students and finding new activities and opportunities to help drive their growth. One such opportunity that is new this school year is our students' ability to earn credits through Mid-State Technical College through Dual Credit course offerings. Also being used more regularly is our access to online coursework. The online offerings allow us to increase the students' ability to explore different areas of interest, helping steer them in new directions as they plan for life after high school.

During my fifteen years as Almond-Bancroft's principal, I've worked with students with widely varied expectations for themselves. I've worked with students who are highly driven and push themselves hard everyday. I've also worked with students who we do our very best to motivate and help them find their way, even if it means dragging them over the finish line kicking and screaming. Even though these students are very different, what they do have in common is parents who love them. Just like these students' parents, every educator at Almond-Bancroft is dedicated to helping students find success.

In this season of love, we recognize the common denominator among all our families ... the unconditional love for our children. Let that love drive you to demand the best from Almond-Bancroft Schools. Your children

Almond-Bancroft is excited to introduce ...

Hi there! My name is Shelby Weber and I am beyond excited to become the new K-12 Art Instructor in the Almond-Bancroft School District!

I recently graduated from UW-Oshkosh with my bachelors of science in Art Education with a minor in Spanish. I look forward to forming meaningful connections with the students, and providing them with engaging experiences that will translate to success throughout their lives. I am dedicated to providing

each student with the best possible tools to succeed, while pushing them to go places they never thought were imaginable.

Outside of school, I enjoy making art of my own, going to my parents' farm in Wild Rose, hiking, camping, going fishing, and spending time with my friends and family. I cannot wait to get into the classroom and get things rolling!

November and December-Middle School Students of the Month

Every month, teachers nominate students from each grade for positive behavior throughout the month. Our middle school students of the month for the month of November and December are.....

6th grade: Hayden Rykal

Hayden does a good job on school work, is a positive influence, and is goofy with a great sense of humor.

7th grade: Keagen Nigh

Keagen is polite, wants to learn, kind and friendly to others, helpful to teachers and classmates, and responsible with his time and school work.

8th grade: Azrael Reisner

Azrael is always willing to help out, participate in class, and has a good attitude. She is a determined learner, cheerful, and responsible.

6th grade: Jonah Caldwell

Jonah is kind, well mannered, a hard worker, respectful, and responsible. He takes responsibility for his actions and his school work. Jonah is considerate and willing to help in any way.

7th grade: Dalton Clark

Dalton continues to stay on task, get his work done, and be helpful to others in the classroom. He is outgoing, friendly, and a joy to have in class. Dalton has a positive attitude and tries his best.

8th grade: Ethan Sterling

Congratulations!

2020 Middle School Spelling Bee

W-I-T-H-E-R-S, the ridge on a horse that falls between its shoulder bones, was the championship word deciding this year's district spelling bee. On Friday afternoon, January 10th, 6th grader Alyssa Borski correctly spelled "withers" to win the 2020 spelling bee. Congratulations to Alyssa Borski and fellow 6th grader Emalee Petrick, who placed first

and second respectively in the 4th-8th grade competition. Good luck to both girls as they will be representing our district in the Regional Bee held on February 12th, in Wild Rose. A big thank you to Mrs. Kim Weiss for facilitating our spelling bee as well as to Mr. Tom Collins for judging and making this year's bee a successful and exciting event.

June 2020 Washington D.C. Trip Update

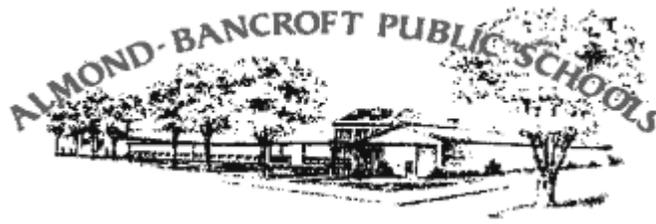

We have 34 very excited eighth and ninth graders looking forward to their trip to Washington D.C.! The group will be traveling to D.C. in June via a Lamers Bus and will spend three nights in the city. Over the course of four days, students will visit national landmarks such as Gettysburg, Mount Vernon, Arlington National Cemetery, as well as the major presidential and war monuments and memorials and so much more!

Student travelers have been busy raising support and educating themselves about the sites they will visit. The six-day, five-night trip does come at a cost.

If you would like additional information about our trip, how you can help sponsor a student traveler, sponsor a student who otherwise wouldn't be able to travel, or make any amount of donation toward the trip please contact me or our district office. The all-inclusive price of the trip is \$550 per student.

Almond-Bancroft School District Pre-Kindergarten Programming Survey

In order to increase academic consistency for our Pre-Kindergarten students, the Almond-Bancroft School District is currently looking into changing the Pre-Kindergarten program. However, we are seeking parental and community input before any decisions are made. Please take a few moments to read through the proposed changes below and answer the survey questions on the attached sheet. Feel free to share this proposal with other community members and add their comments as well. If you need additional copies of this survey, please call Penny Boileau at (715) 366-2941 ext. 418. The survey is also offered online, and you can find the link on the School District's website. The survey is being kept anonymous in order to promote honest feedback and your opinion is greatly appreciated. If you, or another community member, do not have a Pre-Kindergarten student, please answer the questions as if you did. We are asking that surveys be completed and returned/submitted by Friday, February 14th in order to review these surveys and present the information at the February School Board Meeting.

CURRENT PROGRAMMING – 2 Full Days: Currently, the Pre-Kindergarten program is run two full days a week. One group of students attends on Mondays and Wednesdays while the other group attends on Tuesdays and Thursdays. Bussing is offered to all students for both morning pick-up and afternoon drop-off. Fridays are non-student days.

PROPOSED PROGRAMMING – 4 Half Days: Students would attend Monday **through** Thursday, with one group attending in the mornings and one group attending in the afternoons (exact times to be determined). Bussing would continue to be offered to all students for both morning pick-up and afternoon drop-off; however, **mid-day bussing would NOT be offered**. Parents would either have the option to pick-up/drop-off their child at that mid-day transition time OR take advantage of an Extended Learning Center (ELC), free of charge, housed within the school building. If using the ELC option, Pre-Kindergarten students would be in the building the same times as K-12 students, but their time would be split between the Pre-Kindergarten Classroom and an Extended Learning Center. Furthermore, bussing would be available to them for the morning pick-up and afternoon drop-off times, with the other students. Fridays would continue to be a non-student day (meaning the ELC would not be available).

*With this change in programming, students would CONTINUE to follow the District calendar; they would not attend class or ELC on "No School" days. Additionally, there would be no class or ELC during breaks, including summer.

*The District's goal would be to offer the ELC at no cost to resident families. However, there would continue to be a cost for meals if students eat breakfast, lunch, and snack each day. The meals would be provided through the School Meal Program.

**More specific details of the Extended Learning Center will be developed if the Pre-Kindergarten programming changes take place. The AB School District will inform families of those details.

The School District of Almond-Bancroft does not discriminate against any person on the basis of sex, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, learning disability or handicap in its educational programs and activities.

Pre-Kindergarten Programming Survey

Thank you for taking the time to provide us with your feedback.

Surveys need to be completed by Friday, February 14, 2020.

If you would prefer to submit an online survey, it can be found on the District Homepage, under the "Soar With Eagle Pride" heading.

If you prefer to fill out the paper form, you can either return it to the School District with your student OR surveys may be mailed to:

Dr. Penny Boileau
1336 Elm Street
Almond, WI 54909

Which programming would you prefer?

____ **2 Days** – Students attend TWO FULL days a week; only in Pre-K classroom.

____ **4 Days** – Students attend FOUR FULL days a week; time is split between the Pre-K classroom and the Extended Learning Center, provided free of charge by school district. *(The full day is optional; parents CAN transport their child if they prefer only a half-day in the Pre-K classroom.)*

____ **Either is fine with me.**

Comments:

If the program is changed to 4 Half Days, would you use the Extended Learning Center? Why or why not?

Turn over for more questions.

Pre-Kindergarten Programming Survey

What POSITIVE outcomes do you see this change bringing? (The Pros)

What NEGATIVE outcomes do you see this change bringing? (The Cons)

Please feel free to add any other comments, questions, and/or concerns you may have with this proposed change.

Reading Nook

Time for a Story

Want to spend time with your youngster, build her reading skills, and help her learn to love books? You can do all three when you read aloud. Here are suggestions.

Read Regularly

Try to read to your child every day. You might aim for 10-15 minutes of bedtime reading for a peaceful end to the day. Bring along a book, and read to her during a sibling's sports practice. Or curl up together with a book when you get home from work.

Take Turns Choosing Books

Your youngster may want to hear old favorites again and again. Use your turn for new titles and variety, such as nonfiction or poetry.

Let Her Participate

Ask your child to turn the pages while you read. Also, she can finish sentences that rhyme or fill in words she knows. Go slowly so she has time to understand the story and look at the illustrations. She'll enjoy read-aloud time more if she plays an active role.

Be Playful

You can use different voices for different characters (a high, squeaky voice for a mouse or a deep, booming voice for a horse). Or substitute your youngster's name for the main character's name, and use family members' names for other characters.

NOTE: You do not have to be an expert reader-your child will love it when you read aloud because it's you.

Information from Reading Connection

Elementary Book Trivia

We are happy to announce we have 104 contestants signed up for the Book Trivia Contest! Thank you for supporting this wonderful literacy activity.

On Friday, March 13th, the Almond-Bancroft Elementary will be hosting their first book trivia contest. Students are currently reading the books in preparation for the big day.

Volunteers Needed

To help make our contest a success, we are looking for volunteers to help during the contest on March 13th. We can't hold the contest without your help! And students love to see your faces! A volunteer sign-up form will be

Eat Breakfast at School!

Mornings can be really crazy...the alarm doesn't go off...the kids don't want to get up...there's no time to eat breakfast before the bus comes...or they're just not ready to eat. Or maybe your teenager grabs a can of soda and a candy bar on the way to school. If this sounds like your house, we have good news for you.

Breakfast is served at school! School breakfast will energize your child's day and provide them with a healthy start. A nutritious breakfast helps students be more alert so they can learn more in class, and has plenty of vitamins and nutrients for a strong and healthy body.

Breakfast at school is affordable, too. If you qualify for free and reduced price meals, you also qualify for the breakfast program, with no additional paperwork. You can't find a healthy breakfast at such a low cost anywhere else.

Disc Golf Course Update

Spring will be here shortly, and that means work on the disc golf course will continue. Since last summer until now, Randy Schukar and his crew put in countless hours planning and marking the course layout. Stuczynski Excavation and Paradise Trucking installed a parking lot on 3rd Avenue in Almond, and Koerner Forest Products will soon carve out the fairways to clear the way for 20 tee pads and 20 baskets. Currently, we have 10 basket sponsors and we are in need of 10 more so that this disc golf course can be one of the greatest destinations to learn and play disc golf in Central Wisconsin.

The cost to become a basket sponsor is \$500. All proceeds from your donation help establish a legacy. Your name will be displayed near the basket, and you will join a team of current basket sponsors who believe this project will make a positive impact on the community. The current basket donors are...

- Bancroft Lions Club
- Almond Lions Club
- Almond Snow Eagles
- Wisconsin Disc Sports Association
- Stevens Point Area Disc Association
- Keith Glodowski in memory of Frank and Geri Glodowski
- Stevens Point Junior Women's Club
- FFA Grants for Growing
- Senior Class of 2019
- The family of Harland and Janice Newby dedicated to Harland and Janice.

If you are able to become a basket sponsor, please contact Tom Collins at 715-366-2941 Ext. 412 or via email at tcollins@abschools.k12.wi.us. Your donation goes to a good cause!

Dear friends of the Almond-Bancroft Community,

We are so excited to report that, with our Community's help, we had a very successful first annual Post Prom at Almond-Bancroft High School last May. We were blown away by our small town's generosity...and the students were so thankful! Each and every student who was in attendance won at least one prize. We were able to provide giant inflatables, pool tables and video games, a photo booth, video-gaming tournament, and lots of delicious food and incredible prizes! As we know, teen alcohol-related incidences and driving while intoxicated fatalities increase dramatically on Prom Night. With your help, we were able to provide a safe and fun evening for our students and make it a Prom Night to remember!

It's that time of year once again and this year's Junior Class parents are already off to a good start planning the 2nd annual AB Post Prom lockin. We are asking for the community's help in pulling off another spectacular event for the students after Prom, which is scheduled for May 2, 2020. As you know, this will be a costly evening and it will take a village to provide this fun activity for our students. With your support, we hope to raise enough funds to make this another evening that they'll be raving about for years to come!

If you feel led to donate to the Post Prom Committee's fund, please make checks payable to AB Post Prom and remit them to:

Almond-Bancroft School
ATTN: Candace Beggs
1336 Elm Street
Almond, WI 54909

If you'd prefer to donate items for Post Prom, please call Candace Beggs at 608-931-3034 or email her at cbeggs@abschools.k12.wi.us to arrange for pickup or delivery date/time. Our hope is to receive monetary and prize donations by Sunday March 1, 2020.

Thank you in advance for your support and helping to make a difference in our school and community!

Official Ballot
Almond-Bancroft Public Schools
Nonpartisan Office
April 7, 2020

Notice to Voters: If you are voting on Election Day, your ballot must be initialed by two election inspectors. If you are voting absentee, your ballot must be initialed by the municipal clerk or deputy clerk. Your ballot may not be counted without initials. (See back of ballot for initials.)

Instructions to Voters

If you make a mistake on your ballot or have a question, ask an election inspector for help. (Absentee Voters: Contact your municipal clerk.)

To vote for a name on the ballot, make an “X” or other mark in the square next to the name, like this: To vote for a name that is not on the ballot, write the name on the line marked “write-in.”

School Board Member <u>At Large</u> Vote for 1	School Board Member from <u>At Large</u> Vote for 1
<input type="checkbox"/> Keith J. Dernbach	<input type="checkbox"/> Eugene Fosmire
write-in: _____	write-in: _____
School Board Member from <u>Towns of Belmont, Rose, and Oasis</u> Vote for 1	
write-in: _____	

The opportunity is available to run as a registered write in candidate for the open Almond-Bancroft School Board Member seat for the Towns of Belmont, Rose, and Oasis.

To be a registered write-in candidate for an election, you must file a Campaign Registration Statement with the Almond-Bancroft Public Schools clerk by 12:00 p.m. (noon), **April 3, 2020**, the Friday before the election. The Campaign Registration Statement can be filed in the Almond-Bancroft Public Schools District Office, 1336 Elm Street, Almond, WI.

Visit the Wisconsin Ethics Commission website to download a PDF version of the Campaign Registration Statement and return to the filing officer. Direct link to form on the Ethics Commission website: https://ethics.wi.gov/Resources/CF-1_Registration_Statement.pdf . Or obtain a hard copy of the Campaign Registration Statement in the Almond-Bancroft Public Schools District Office, 1336 Elm Street Almond, WI.
