- 5/26–HS Graduation, West Gym, 7:00 pm
- 5/29–No School
- 6/1– Last day of School

### Class of 2017 Valedictorian

Dylan Bunders has earned the spot of Valedictorian for the 2017 graduating class. Dylan reflects the true meaning of scholar athlete. His academic and athletic accomplishments show younger students what they can achieve through strong work ethic and dedication. Dylan is our National Honor Society Vice President, Senior Class Vice President, Student Council Treasurer, Math League team member, Quiz Bowl team member, football captain, basketball captain, and member of the baseball team. While balancing his high school coursework and participation in school athletics and clubs, he also managed to successfully complete two Advanced Placement courses and two college courses. Dylan is an excellent student that has continuously demonstrated good decision making/prioritizing, motivation, and work ethic. Dylan has received many awards for academic excellence and athletics and he has volunteered many hours to our school and community through numerous fundraisers, the youth athletic program, and community clean-up. We wish him luck at St. Norbert College as he begins his studies in Physics and Engineering.

Congratulations Dylan!

### Class of 2017 Salutatorian

Colton Stanislawski has earned the spot of Salutatorian for the 2017 graduating class. Colton has consistently proven himself to be an excellent role model and leader. He is our National Honor Society President, Senior Class President, Quiz Bowl Captain, Student Council representative, Cadet Technical Sergeant in Civil Air Patrol, district representative for the WI State Senate Scholar program, Rotary Youth Leadership Award, and Daughters of the American Revolution District Good Citizen. Colton is a very well-rounded student and a strong leader in our community. He has shown great character, dependability, and leadership throughout his time in the Almond-Bancroft School District. His commitment to our community provides our younger students with a wonderful example of how our students can impact our school and community. Colton's initiative has not only opened doors for himself, but also shown our other students how investing time in yourself and being a self-advocate can lead to amazing possibilities. We wish him luck as he begins his studies in Applied Physics at Michigan Technological University next year.

Congratulations Colton!

*Congratulations!*

## High School Students Of The Week

*Congratulations!*

Noah Kollock is my choice for student of the week January 30 – February 3. He's an awesome student to have in class. His energy and personality always add to activities and discussions. He's smart and he pays attention and isn't afraid to offer his opinion. He also helps me shut down annoyingness when I may need backup.:) Noah is mature and a good influence on his peers. Basically, his presence is a positive! ~ **Mrs. Schoenfeld**

I nominate Jemina Woods for student of the week February 13-17. Jemina is not only an A honor roll student, she is a very kind and thoughtful person. She has a smile and a hello for all she encounters! Unfortunately, I don't have Jemina in a class this semester, but when she was last semester she was supportive of her classmates and went out of her way to help others. Jemina brightens the hallways with her infectious smile and genuine greetings. I am excited to see where her path takes her in life! ~ **Mrs. Omernik**

I nominate Megan Manske for student of the week February 20-23. Megan always gives her best effort and really wants to understand the material. She is willing to put in extra time to make sure she gets it. She is unassuming and very pleasant to be around. She also brings a little sparkle into my day! ~ **Mrs. Schumacher**

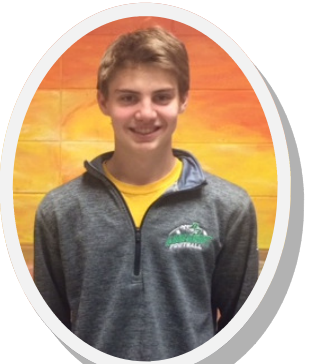

When it comes to Student of the Week February 27-March 3, I choose Mickie Wiza. Ever since he was in 6<sup>th</sup> grade, I knew there was something awesome about this young man. Now that Mickie is in 10<sup>th</sup> grade, I still feel the same. He is constantly upbeat and productive in both media classes. Plus, Mickie teaches ME something new each week and always helps someone else out if they have a question that he can answer. Mickie is a great media student, member of the community, and he is an overall good person to be around. This is why Mickie is my choice for Student of the Week. ~ **Mr. Collins**

My choice for student of the week March 27-31 is Angela Rogers. She is a top student in my Algebra 2 class and even though it can be challenging she continues to excel in class. She is a member math league team and, as my student aide, helped stock and run the concession stand during basketball season. Keep up the good work! ~ **Mr. Bradley**

I chose Matt Helmrick as student of the week March 20-24. Matt is always helpful in class and leads the way when new techniques are used. He is confident in his work and seems to take pride in his finished product. A "go to" guy in the shop! ~ **Mr. Bennett**

I nominate Danny Trevino for student of the week march 6-10. Danny has been working hard to achieve his academic goals, and has so far been very successful. He has a great sense of humor and a pleasant demeanor, both of which allow those around him to feel comfortable and included. I wish the best for Danny and will miss having him in class next year. ~ **Mrs. Huebner**

My choice for student of the week April 3-7 is Emmett Stanislawski. Emmett is a hardworking student who is focused on his own betterment. Emmett is great at following directions and always has a positive attitude which spreads to other students. Emmett can also be a great leader when the challenge arises. His work ethic is unmatched and his ability to adapt unbeaten. ~ **Mr. Nowinski**

### Recycle Game Day Volunteers!

On Friday, April 21<sup>st</sup>, the 1<sup>st</sup> through 5<sup>th</sup> grade classes spent the afternoon outside participating in a variety of activities using recycled materials. Events like this, with the number of students involved, wouldn't be possible without the help of some great community volunteers. We'd like to recognize the following individuals, in no particular order: Diane Zube, Bonnie Warzynski, Debbie Bradley, Beth Warzynski, Billie Riske, Irv Nigh, Phyllis Nigh, Charles Hutkowski, Melissa Olson, Debra Getzloff, Scott Petrick, Diane Rice, John Zouski, Carrie Wade, Erin Gillick, Dennis Zube, Charlie Cose, Lori Curtin, and Bing Getzloff. **A HUGE THANK YOU** to all of you for your time and help, it was truly appreciated by the staff and students!

### Book Share Across Grades!

By Sheena Vitello and Brenda Ramczyk

On Tuesday, April 18<sup>th</sup>, Mrs. Ramczyk's first graders were invited to share their class made book of Haiku poems with Mrs. Vitello's eighth grade students. What helped make this book sharing a little more special was that each of the eighth graders had their own handmade children's book to share too! A lot of reading and sharing took place, making this a wonderful and enjoyable experience for all ☺

### **Partners in Education sponsored assembly, Jump with Jill!**

Elementary students enjoyed PIE sponsored music based assembly that makes nutrition education rock! Jump with Jill used music and dance to celebrate healthy habits and physical activity.

This assembly brought the students and staff off their seats and on their feet!

## Ethan Heinz Wins D.C. Trip Sponsorship!

A huge "Thank You!" to a generous community member for sponsoring a trip for a deserving eighth grader! On Friday, April 7th, Ethan Heinz was awarded the winner of a D.C. trip scholarship. The scholarship will cover the entire traveling expenses (\$643) of the trip. Each eighth grader, who applied for the scholarship, was required to write an essay to the anonymous donor explaining what the trip would mean to them and why they should be chosen as the recipient. The donor, not knowing who they were choosing, wrote: "The recipient, I have chosen, wrote the most detailed case for how what he or she has learned about American history and government will transform a class trip into a life-changing experience." The D.C. trip will be taking place the week of June 11th - 15th. Our eight eighth graders will be traveling with the Prentice and Rib Lake School Districts on an educational trip touring Washington D.C. and national landmarks such as Gettysburg, Mount Vernon, Arlington Cemetery, and the presidential monuments.

On Friday, April 21st, our eighth graders who are planning to travel to Washington D.C., participated in the Fund Run fundraiser. The weather was beautiful and the runners overachieved! Many dollars were raised to help support the cost of the trip. Thank you for the community support and to those who are helping to make a difference in the lives of our young people!

## Forensics Students-Great at State!

16 students competed at the state level forensics meet on Saturday, March 22nd.

Seniors Emma Wallace and Jacob Wierzba finished with a perfect score, earning gold medals in play-acting.

Seniors Eduardo Banda, Gavin Heinz, Tayler Schafer, and Catie Schmidt earned silver medals in play-acting, missing a perfect score by only one point!

Senior Colton Stanislawski and sophomore Annie Weiss earned bronze medals in play acting.

Sophomores Josie Colombe, Maryah Cook, and Emaleah Matke earned bronze medals in play acting.

Freshman Tori Jones earned a bronze medal in poetry reading.

Freshmen Jean Bloede, Cauty Huntington, Makayla Perzinski, and Sheldon Wade earned 4th place medals in group interpretive reading.

Junior Breeley Warzynski and sophomore Aidan Whitman each earned a state qualification in prose reading, but were unable to attend the competition on Saturday.

Congratulations to them all!

### **ALMOND-BANCROFT CUB SCOUT NEWS-**

Almond Bancroft Cub Scout Pack 248 would like to thank the Almond Bancroft village residents for leaving their bags of non-perishables out on April 8th. Your donations made this years Scouting For Food a success, we were able to donate 26 bags of food (approx. 130#) to the Almond Lutheran church, and 19 bags (approx. 95#) to the Bancroft church.

## Eagles Athletic Events

### HUNTER SAFETY CLASS OFFERED

The Almond Rod and Gun Club will sponsor a hunter safety education class for area youth and adults.

Classes will be held in the Almond-Bancroft High School auditorium.

Registration will begin at 7:00 pm SHARP on Thursday May 4<sup>th</sup>. Students under 18 years of age **MUST HAVE** a parent or legal guardian with them to register. The cost is \$10 per student. After registration, we will begin teaching the course. Students will be dismissed at about 9:00 pm. Further info on class dates and what will be taught will be available at registration. On week days the class will run from 7:00-9:00 pm on Saturdays the class will run from 8:00 am until noon.

Students will be required to have a DNR customer ID number before graduation from the course. It is best if each student has their customer ID number before class starts. Students can obtain a DNR ID # by calling 1-888-936-7463 from 7:00 am to 10:00 pm, or they can visit a DNR Service Center during regular scheduled hours.

If you have any questions, please call Dan Folan at 715-366-8851 or cell 715-347-7181, or Dave Root at 715-498-1263.

On behalf of the Portage County Historical Society, we want to thank the students and staff of Almond Bancroft High School for their help in presenting the April 6 "Over There; Portage County in the Great War" program at Sentry Theater. April 6, 2017 marked the 100-year anniversary of the United States entrance into what we now know as World War One. The students are certainly a credit to their school community and we hope the experience was meaningful for them.

With the help of band students and director Mary Nowinski; AP History teacher Joe Nowinski and students. We were able to present a meaningful celebration of the role of Portage County residents played on the world stage. In addition to the many residents who served in the armed forces and in the efforts on the home front, Portage County is also home to Vice Admiral Albert Weston Grant, General Edward McGlachlin and Congressional Medal of Honor winner Clayton Slack.

Through the generosity of Sentry Insurance, the historical documentary and the readers' theater presentation will be available to school and community groups by next fall. On Memorial Day weekend the 6 building museum exhibit in Heritage Park in Plover will open (Saturdays and Sundays 1-5 pm through Labor Day weekend). This exhibit will highlight and provide additional information on many aspects of the war, both on the front and on the home front. We invite you to come with your families to learn more about the story of "Portage County in The Great War". At Heritage Days on the weekend of June 17-18, World War One re-enactors will visit the park to provide a fascinating look into the life of a soldier.

Tim Siebert, PCHS President; Sue Koehl, PCHS member

### Boys & Girls Club of Portage County

The Boys & Girls Club of Portage County will be offering a variety of engaging programming for students entering grades 1<sup>st</sup>-12<sup>th</sup> at the Almond-Bancroft Extension club site. They are open Monday-Thursday, June 19<sup>th</sup> through August 10<sup>th</sup> (closed the week of the July 4<sup>th</sup>) from 12:30-5:30 PM. Check out [bgclubpc.org](http://bgclubpc.org) for more details!

**The Boys and Girls Club will also be open during the two weeks after session two of summer school!** During these weeks, they will be open Monday-Thursday, 8:00 am – 5:30 pm. Free breakfast, lunch, and snack as well as bussing from and to Bancroft will be provided. Pick up and drop off will be at the Bancroft Lions Park at 7:45 AM and 4:15 PM.

Please contact the site director at [angela.iwanski@bgclubpc.org](mailto:angela.iwanski@bgclubpc.org) for registration information and with any questions!

---  
Session 1: Career Launch – students entering grades 6-12

From career exploration to resume building to college tours to interview skills, this program helps teens start thinking about life after high school. Teens will have the chance to explore possible careers based on their interests and talents and map out a plan for their futures. This program will combine highly engaging programs at the Almond-Bancroft BGC and day trips away from the club to explore local post-secondary campuses, job shadow, or even to build resumes!

---  
Session 2: S.T.E.M. Club – students entering grades 6-12

Up for a challenge? Want to have fun? Then sign up for S.T.E.M.! From sports science to video game design, this program is filled with engaging activities in the areas of science, technology, engineering, and math! Not only will teens deepen their knowledge of the S.T.E.M. subjects, they will develop teamwork, communication, problem solving skills, all while having fun!

# WELCOME TO ALMOND-BANCROFT SUMMER SCHOOL 2017

Dear Families,

We are pleased to be offering our 2017 summer school program. Please take a moment to review the program guide to assist you and your children in determining what classes are appropriate and interesting.

There is a nice selection of classes that cover reading, writing and math, fitness activities, outdoor activities, games, computer activities, science activities, cooking classes, and much more. We will be offering swimming lessons again this year at the YMCA in Port Edwards. There will be no charge to participate. **We ask that you only sign up for one session of swim lessons to allow all students an opportunity to take part in this very popular and beneficial course.**

**Each student enrolled will receive a free summer school t-shirt!** Students need to be enrolled in one or more classes and must indicate the correct size when registering online.

We will be offering a breakfast and lunch program for all students in the Almond-Bancroft School District. All students are welcome to eat regardless of whether or not you take part in the summer school program. Breakfast will be served Monday-Thursday 8:00-8:30 AM and lunch will be served 11:30 AM-12:00 PM. This program is free to any student in our district.

We will be offering transportation from Bancroft to Almond. The students will be picked up Monday-Thursday at 7:45 AM on the south side of the Bancroft Lions Park and will return at approximately 4:15 PM.

## **How to register for classes;**

- 1) **Go to the District Webpage: [www.abschools.k12.wi.us](http://www.abschools.k12.wi.us)**
- 2) **Click on the “Summer School 2017” link**
- 3) **Complete the online registration form on or before Friday, May 12, 2017.**

If you do not have access to the internet to complete the registration, you are welcome to come to school and we will assist you in registering for your child(s) classes by calling **Trina Warzynski at (715)366-2941 ext. 422**

Remember, you are not required to take part in all six weeks; you child may attend all or just portions of the sessions. The exception to this is if your child will be participating in swim lessons. Due to the fact that there is limited slots for the swim program, your son/daughter may be dropped from the program if they miss more than 2 lessons. If you have any questions, please feel free to call **Jeff Rykal at 715.366.2941 ext. 416.** Thank you!

## **Boys & Girls Club of Portage County**

The Boys & Girls Club of Portage County will be offering a variety of engaging programming for students entering grades 1<sup>st</sup>-12<sup>th</sup> at the Almond-Bancroft Extension club site. They are open Monday-Thursday, June 12<sup>th</sup> through August 10<sup>th</sup> (closed the week of the July 4<sup>th</sup>) from 12:30-5:30 PM. Check out [bgclubpc.org](http://bgclubpc.org) for more details!

**The Boys and Girls Club will also be open during the two weeks after session two of summer school!** During these weeks, they will be open Monday-Thursday, 8:00 am – 5:30 pm. Free breakfast, lunch, and snack as well as bussing from and to Bancroft will be provided. Pick up and drop off will be at the Bancroft Lions Park at 7:45 AM and 4:15 PM.

Please contact the site director at [angela.iwanski@bgclubpc.org](mailto:angela.iwanski@bgclubpc.org) for registration information and with any questions!

## **Summer Food & Summer Fun!**

**All CHILDREN 18 years and under are eligible to receive FREE meals.**

**No need to sign up or apply for the program - just bring yourself and enjoy tasty and nutritious meals!**

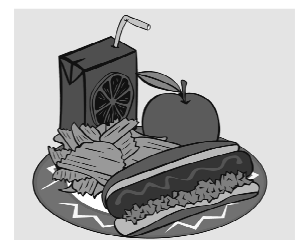

Location:

Almond School Cafeteria-1336 Elm Street, Almond, WI

**June 12-29, 2017 and July 10-27, 2017**

**Breakfast is served from 8:00 to 8:30 am Monday - Thursday**

**Lunch is served from 11:30 am to 12:00 pm Monday - Thursday**

# Summer School Course Descriptions

**Session 1: June 12-June 29**

**Session 2: July 10-July 27**

**Monday-Thursday**

Please take some time to read through the available offerings we have for our program this summer. Check your summer schedules with the information below and select classes that will meet your child's needs.

**To register, schedule classes electronically using the link on the schools homepage, <http://www.abschools.k12.wi.us>**

(if you do not have internet access return the enrollment sheet included in this mailing)

**Registration is on a first come first serve basis so online enrollment is recommended! Some courses do have enrollment limits, so register early.**

In order for a class to be held a minimum number of students need to be enrolled. If minimum enrollments are not met, courses may be cancelled. **Registration will be closed as of Friday, May 12, 2017.**

Keep in mind that students should be registered in reference to the school grade they will be in for the 2017-2018 school year, unless the course description states otherwise. If you have any questions, call Mr. Rykal at 715.366.2941 ext. 416.

<u>CLASS</u>	<u>INSTRUCTOR</u>	<u>DATES/TIMES</u>	<u>2017-2018 Grade Levels</u>	<u>DESCRIPTION</u>
Swimming Lessons	YMCA Staff Port Edwards	Both Sessions 12:45-4:00 PM	Grades K-6	Lessons will be taught to students entering grades K-6. The bus will leave the Almond School at 12:45 each day and will return before 4:00 PM.
Make it with Paper	Mrs. Wade	Both Sessions 8:3-10:00 AM	Grades 3-5	Come and explore different ways to create using paper. Origami animals, bird houses, accordion books, paper airplanes, and masks - Oh, the possibilities are endless! Let's make it with paper.
Basic Knitting	Mrs. Wade	Both Sessions 10:00-11:30 AM	Grades 3-5	Did you know knitting is like riding a bicycle? Once you know how, you'll never forget. Learn the basics while working on a project of your choice. I will have easy projects for you to choose from such as hats, cat toys, bookmarks, and bracelets just to name a few. Needles and yarn will be provided for you.
Puppet Talk	Mrs. Wade	Both Sessions 12:30-2:15 PM and 2:15-:00 PM	Grades 3-5	Puppets aren't just for little kids! They're used in movies, commercials, and to entertain or teach an audience. We will explore the techniques used to create puppets by looking different ways puppets are used. As you make your own collection of puppets, you will create your own puppet show to share with the rest of the class. Come and learn how puppets talk.
Games Galore	Mrs. Ramczyk	Both Sessions 8:30-10:00 AM And 10:00-11:30 AM	Grades 3-5 and Grades 6-8	Come and learn to play games of all kinds! Board games, card games, outside games, and computer games, we will explore some of each. Some games you may already know, some you will learn to play for the first time, but it is certain you will have fun. Win or lose, inside or outside come join the fun of Games Galore!
Outside Adventures	Mrs. Ramczyk	Both Sessions 12:30-2:15 PM And 2:15-4:00 PM	Grades 5-6 and Grades 7-8	Are you into the outdoors? Come learn, participate, and enjoy some fun outside activities that will go beyond the classroom walls. We will take bike rides around the countryside, go hiking along the way, and perhaps try your aim at archery, just to name a few. Bring your energy, as you will need it for this class!
Oh What Buggy Fun!	Mrs. Hintz	Both Sessions 8:30-10:00 AM	Grades K-2	Have you ever wanted to know more about the amazing insects that are living in your back yard? In this class you will learn about many different kinds of insects and what makes them unique. You will create your own book about insects and make some cool insect crafts. And you will even get to observe the miracles of nature as caterpillars grow, build cocoons and turn into butterflies!

Toy Factory	Mrs. Hintz	Both Sessions 10:00-11:30 AM	Grades K-2	Welcome to the toy factory where you will be building your own toys! Try your hand at making your own bouncy balls, marble slides, play-dough, stilts, mini catapults, airplanes and helicopters to name just a few. And if you think being a toymaker is going to be fun, just imagine the fun you will have playing with the toys you make!
Mighty Math	Mrs. Hintz	Both Sessions 12:30-2:15 PM	Grades K-2	Do you love math or maybe want to improve your math skills? Then Mighty Math is the class for you! We will read math related stories, play math games that sharpen our adding and subtracting skills and learn more about mathematical concepts such as money, graphing, and measurement.
Summer Reading Camp	Mrs. Hintz	Both Sessions 2:15-4:00 PM	Grades K-2	Welcome to Camp Read-A-Lot where we will read and read s'more! In this class students will be introduced to some fun new books that will get them excited about reading. We will have a daily read aloud and take turns reading to each other as well as some silent reading time. Students will also create their own mini books to take home and read.
Book Club Grades 2-3	Mrs. Riggle	Session 1 8:30-10:00AM	Grades 2-3	If your child enjoys reading, this class will keep them reading all summer. Students will be able to choose from a variety of books as well as participate in book club chats and fun reading activities. Research points out that continued reading is the number one way to increase reading scores. <i>Keep the reading going this summer!</i>
Book Club Grades 4-5	Mrs. Riggle	Session 2 8:30-10:00 AM	Grades 4-5	If your child enjoys reading, this class will keep them reading all summer. Students will be able to choose from a variety of chapter books as well as participate in book club chats and fun reading activities. Research points out that continued reading is the number one way to increase reading scores. <i>Keep the reading going this summer!</i>
Summer of Science	Mrs. Riggle	Session 1 & 2 12:30-2:15 PM and 2:15-4:00 PM	Grades K-2	This class is for the science enthusiast or pessimist alike. Your child will participate in simple, but fun activities and experiments that will activate their imagination. They will engage in interactive group talks and gain a love for the experimental aspect of science.
Arts and Crafts with Nature	Mrs. Riggle	Session 1 & 2 10:00-11:30 AM	Grades K-2	If you're looking for the perfect combination of fun and learning this class is for your child. They will enjoy a variety of arts and crafts in connection with the great outdoors. There will be many projects and interactive nature walks. Your child will come home every day with a new appreciation of the natural world around them.
Lego Mania!	Mr. Stead	Session 1 & 2 12:3-2:15 PM and 2:15-4:00 PM	Grades 3-8	In this class students will get a chance to create different structures and creations out of Legos. Each week the students will pick a building theme for the week to create a final large creation. Besides building in this class, students will watch Lego themed videos and be able to use technology to play Lego themed games at times. If you are a Lego Maniac, this class is for you!
Movie Critic	Mr. Stead	Session 1 & 2 8:30-10:00 AM	Grades 6-8	In this class students will get a chance to become a movie critic during the summer. The instructor will be showing students movies from all different eras so that the students can see the advancements that have been made in today's movie process. After each movie, the class will discuss their likes and dislikes of the film. If you are a movie lover, this class is for you.

Games, Games, Games!	Mr. Stead	Session 1 & 2 10-11:30 AM	Grades 3-8	In this class, students will be playing all types of games. These will range from board games to video games to outdoor games. Usually half of our day is learning about games played inside, while the other half is spent outside weather permitting. If you love competition and fun, this class is for you.
Middle School and High School Weight Training (BFS)	Mr. Baumgartner	Session 1 Only 10:00-11:30 AM	Grades 6-12	Students will learn correct form in each of the lifts. Bigger, Faster, Stronger (BFS) principles will be applied for each lift. Students may increase weight only after they have achieved perfect form in each lift. Emphasis will be on increasing the amount of weight for each lift while demonstrating proper technique.
Math and Reading Enrichment	Mr. Baumgartner	Session 2 only 8:30-10:00 AM	Grades 3-5	This course will concentrate on individual instruction of math and reading. Instruction will be individualized based on the level of each student enrolled in the course.
Team Sports	Mr. Baumgartner	Session 2 only 10:00-11:30 AM	Grades 6-8	Students will learn the fundamentals of basketball, soccer, softball, rugby football, and hockey.
Reading and Writing ROCKS!	Mrs. Perzinski	Session 1 Only 8:30-10:00 AM And 10:00-11:30 AM	Grades K-2	Students will learn about the different steps in reading such as: pick out a book, activate prior knowledge, do a picture walk, read, ask questions while reading, retell the story, think about the characters, setting, problem/solution, main idea, details, author's purpose (PIE), character traits, rereading their favorite page, make connections, finally picking a new book. For our beginning readers, we will start by recognizing the letters and sounds and moving on to sight words. Students will use online tools such as Into the Book, Epic! , and Raz Kids. Books for Kids to level the students and Raz-Kids to get the students reading and listening to books. I would also utilize the book room for additional resources.
Techno Summer	Mrs. Beasland	Both Sessions 8:30—10:00 AM 10:00—11:30 AM 12:30—2:15 PM 2:15—4:00 PM	Grades 3-5 and Grades 6-8	<b>Week 1:</b> Technology and Math-Use the computer and iPad apps to practice math in fun ways. Share with the class new things that you have found every day. The kids will be provided with a list of what they can access (links, apps) and the goal will be to make our list of resources as long as we can. Students will be encouraged to find more resources on their own to add to the list. <b>Week 2:</b> Technology and Language arts- Use the computer and iPad apps to work on reading/language arts skills (spelling, reading, phonics...etc.). <b>Week 3:</b> Trivia-Work as small groups to see who can search the internet to find the answers to trivia questions. We will use a couple of platforms for this: <ul style="list-style-type: none"> <li>• Kahoot (multiple choice, students respond using iPad or computer with live results).</li> <li>• Are you Smarter than a 5th grader video game.</li> </ul> Throughout the 3 weeks we will weave in typing skills, GoNoodle, videos, learning how to safely and effectively search the internet, and time to share things the kids have learned, or already know.
Career Launch	Boys & Girls Club	Session 1 12:30-4:00 PM	Grades 6-12	From career exploration to resume building to college tours to interview skills, this program helps teens start thinking about life after high school. Teens will have the chance to explore possible careers based on their interests and talents and map out a plan for their futures. This program will combine highly engaging programs at the Almond-Bancroft BGC and day trips away from the club to explore local post-secondary campuses, job shadow, or even to build resumes!
S.T.E.M. Club	Boys & Girls Club	Session 2 12:30-4:00 PM	Grades 6-12	Up for a challenge? Want to have fun? Then sign up for S.T.E.M.! From sports science to video game design, this program is filled with engaging activities in the areas of science, technology, engineering, and math! Not only will teens deepen their knowledge of the S.T.E.M. subjects, they will develop teamwork, communication, problem solving skills, all while having fun!

# ALMOND-BANCROFT SUMMER SCHOOL REGISTRATION FORM

Return to Almond-Bancroft District Office on or before **Friday, May 12, 2017**. Registration is on a first come first serve basis so online enrollment is recommended! Some courses do have enrollment limits, so register early.

*Please Print All Information -Please Use One Form Per Student*
