**Capitol ceremony celebrates 2010-11  
Wisconsin Schools of Recognition**

MADISON — State Superintendent Tony Evers praised Almond-Bancroft Elementary School for being among 153 schools in the state that received Wisconsin School of Recognition honors for the 2010-11 school year during a special October 18th ceremony at the State Capitol in Madison.

Evers welcomed, from left: Jeff Rykal, PreK-12 Principal, Amanda Negro, 1st Grade Teacher, and Greg Kehring, 4th Grade Teacher, to the recognition event. To be recognized, schools must be among those with the highest poverty rates in the state, have met adequate yearly progress goals under federal education law for the past two years, and have student achievement on state mathematics and reading assessments that is higher than schools with similar poverty levels and grade configurations.

“Partnerships among teachers, parents, administrators, school staff members, and the community contribute to the academic success of students in schools that receive this honor,” Evers said.

“The Almond-Bancroft School District is extremely proud of the hard work by the staff, students, and community that made this award possible. It is a testament to the dedication by the staff and community to provide the best possible learning opportunities for the students of our district,” said Jeff Rykal, PreK-12 Principal for Almond-Bancroft School District. This is the fourth consecutive School of Recognition award for the Almond-Bancroft Elementary School, and fifth overall award.

## Almond-Bancroft FFA and Volleyball's "Dig for the Cure"

On September 28th, 2010, The Almond-Bancroft FFA and the A-B Volleyball Team worked together to raise money for the Susan G. Koman Foundation, through an event called "Dig for the Cure".

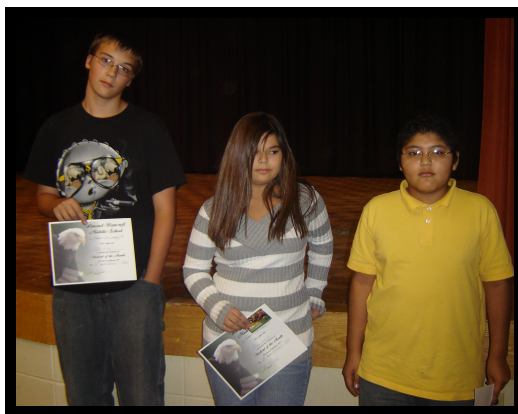

The event involved the FFA members and volleyball players selling PINK t-shirts with a "Dig for the Cure" logo on them. On the night of the home volleyball game the team sported HOT PINK t-shirts, pink socks, and pink ribbons in their hair and on their shoes. Fans were decked out in their PINK shirts, face paint and other pink apparel that night. The Port-Edwards team also participated with the coaches and fans wearing PINK t-shirts and the players wearing pink ribbons.

The "Dig for the Cure" event helped the FFA and Volleyball Team raise over \$500 to be donated from the t-shirt sales. Almond-Bancroft fan, Gary Smith also stepped forward to donate his winnings from the 50/50 raffle drawing.

The FFA would like to thank everyone for their support of the event. Look for another event during the basketball season. They would love to see an even bigger turnout!

## Middle School September Students of the Month

One student is honored from each grade within the Middle School for their overall excellence as a student. These students are selected based on their academic achievements and proper behavior in the classroom. Achieving excellent performance for September, the Students of the Month include the following: **Colton Hintz, Alissa Garcia, and Eduardo Banda.**

From the sixth grade we honored Eduardo Banda. Eduardo is a very sincere and kind student. He takes his time to make sure that he does everything to the best of his ability, and is a very hard worker. If he has questions, he isn't afraid to ask. He is always polite and respectful to his classmates, and also listens well in class. He has and will continue to do a great job in Middle School. From the seventh grade we honored Alissa Garcia. Alissa has made great strides in school this year. She

always has a smile on her face and positively influences other students around her. She always participates in class and is always willing to ask insightful questions during class discussions. She is a pleasant and polite young lady, and is a joy to have in class. From the eighth grade we honored Colton Hintz. Colton is a great overall student. He is a hard worker in class and always participates. He is a positive role model for others in his classes, and takes his education very seriously. Colton is a pleasure to have in class.

Thank you for your hard work, Congratulations!

## Pennies for Peace

*By: Mrs. Negro*

The elementary students have joined hands with tens of thousands of other school children around the world for the Pennies for Peace campaign. The students have collected pennies for a month. The pennies collected will help children in Afghanistan and Pakistan.

The Pennies for Peace campaign is a program of Central Asia Institute (CAI), founded by Greg Mortenson, author of, *Three Cups of Tea*. The CAI is a non-profit organization that builds schools in Central Asia for both boys and girls where hopefully they can receive a balanced education instead of being influenced to join the cause of terrorism in this part of the world.

How can a penny bring peace? It doesn't buy much in Almond or Bancroft, Wisconsin. But in the villages of Pakistan and Afghanistan, it can buy a pencil, start an education, and change a life.

The students have collected many pennies, we are eager to have the final count. This is the second year of collection and the teachers are very proud of the student contributions. Thank you to all the students, parents, and teachers who have been so supportive and donated all those pennies.

## Safety Cadet News

By: Mrs. Upton, Safety Coordinator

At the end of every month I like to choose one Safety Cadet from each of the 5th grade classes that appears to have done an exceptional job while on duty as a Safety Cadet. When I pick these two students, they then become the Safety Cadets of the Month. I usually wait a month or two after the program starts before picking the Safety Cadets of the Month until the students are familiar with duty assignments.

All of the cadets are doing a wonderful job so far, but two students have really stood out recently. Those two students are Bryn Turzinski and Nathan Coon. They are now October's Safety Cadets of the Month. When these two students try to help the younger ones, they both talk so nice and polite to them. They have been great Safety Cadets! **Congratulations Bryn and Nathan.** Keep up the great job!

## Family and Consumer Science News

On October 5<sup>th</sup> Foodservice Operations students toured Malek Family Stewardship organic garden in Rosholt. Paul Huber, garden director, gave students a guided tour of the garden where they learned how to grow a variety of different vegetables and fruits (over 30 varieties of potatoes), and why organic produce is another option for hungry consumers. Also, while in the field students helped harvest "white" carrots.

Later, students traveled to the garden warehouse where produce is stored and later sorted for delivery to customers in the area and other states. Everyone sampled

freshly picked watermelon and carrots. The group left the warehouse with a load of new information, their hunger pains temporarily satisfied, and a sack of potatoes, carrots, and assorted squash for use in the foods classroom.

Thank You Malek Family!!!

## Friends Of Music News By: Renie Milanowski, Co-Chair, Friends of Music

### **This is Your Brain on Music**

"This is Your Brain on Music: The Science of a Human Obsession," is a new book written by Dan Levitin, a former record producer, now director of the Levitin Laboratory for Musical Perception, Cognition and Expertise at McGill University, Montreal. Mr. Levitin believes music is a window into the human soul. We turn on music while driving, we listen to music at parties, clubs, and restaurants, we dance to music, shop to music, sing in the shower, and attend concerts. Yet the psychological importance of this part of our lives is not commonly understood. At universities around the world, scientists are working to understand the cognitive function of music. When we listen to music, what happens in our brain? What makes a gifted musical performer? Why do we move to music? Why does music affect our emotions? Does music have a biological function? How did we become a species that creates, performs, and listens to music? "This is Your Brain on Music" explores these questions and provides insight into fascinating research currently being conducted, not only in departments of music, but in psychology, neuroscience, medicine, computer science, and linguistics.

We look forward to a year of musical human obsession at Almond-Bancroft and to assisting in the life enrichment of our students and community. Please join us this year as we work to raise funds to support our band and choir students. The next Friends of Music meeting is Monday, November 15, at 7:00 p.m. in the Band room.

I would like to thank Mr. Royal Gingery for his past service to our school. We miss him and wish him well in his future endeavors. We also welcome Miss Schmidt to Almond-Bancroft, and we pledge to her our support and encouragement as she leads our children to a knowledge of and appreciation for music.

## Attention Parents!

Although elementary students have already brought home a letter outlining LMC policies and a list of ways to take good care of books, Mrs. Van Ert and I have been seeing too many damaged books this fall. There is an important role that we would like you to play. We would appreciate it if you could do the following with your child:

- \*Have a special and safe place to keep the library books - away from pets, younger siblings, walkways, and food and beverage items.
- \*Have a suitable bag/backpack available to help protect the books from the elements.
- \*Remind your child to have clean hands and to turn the pages from the upper right-hand corner.
- \*Use a bookmark to mark the place where you or your child have left off reading.
- \*If a book is damaged, PLEASE write a note explaining what happened. Explain to your child that they must tell their classroom teacher or bring the damaged book directly to the LMC. They should not just drop it in the book bin without telling anyone - especially if there are wet pages, rips, or a broken binding. We need to try to repair the book *as soon as possible!*
- \*Read the books to your child or listen to them read to you. This is very important. Take an interest in what your child is reading.
- \*Have a comfortable place to read and a place with good lighting.
- \*Discuss the books with your child. Ask "who, what, why, and how" questions. Talk about the pictures. Help your child pronounce proper names and uncommon words.
- \*Have the books returned no later than the due date; there should be a date due slip located in the book pocket.
- \*Encourage your child to be responsible.
- \*AND, let your child see you reading at home - whether a newspaper, magazine, or a book. Let's work together to promote a love for books and reading!

Even though these book care rules were discussed with all of the elementary classes, we really need your support at home. If, with your help, we are successful, our students will carry the habit of treating books with care throughout their school days and beyond. If you have any questions or comments, please feel free to contact me or Mrs. Mickey Van Ert, LMC Assistant.

## Autumn Donations

The LMC thanks the following individuals and groups for their gifts to the LMC : **The Frank family** (Picture books for the 4K students), **Dannielle Manock** (Books on the United States, the universe, and Washington, D.C.), **Art Pagel** (a variety of magazines and a map of the National Parks), **Mickey Van Ert** (holiday decorations for the LMC), **Bonnie Dunn** (teen paperbacks), **the Mather family** (a book on horses), and **the Heck family** (fun books for the elementary students such as *Pokemon*, *Franny K. Stein*, and *The Animal Ark* series). Thank you all for thinking of the school LMC!

## Reading IS Fun!

This year's first RIF (Reading is Fundamental) distribution was a great success. The four year old kindergarten students and the rest of the kindergarten students at Bancroft, plus all the Almond elementary students as well as middle school students in grades 6-7, received a *free book* of their choice on October 19th. This event is sponsored by the federal government and our local school district. The students were very excited about the book selections.

A special thank you goes to the community members who volunteered to help with RIF : **Dorothy Helmrick** (retired A-B School District Reading Specialist and Elementary Principal), **Bev Dachel** (mother of Grace Dachel - 3rd grade and Hunter Berry - 5th grade), **Leslie Burns** (mother of Dan - 1st grade and Grant - 4th grade), **Rhonda Anderson** (mother of Derik - 2nd grade, Daren -4th grade, and Devon - 8th grade), and **Nancy Schulze** (mother of three A-B graduates). We certainly appreciated having these kind women take the time to come help with RIF!

The next RIF distribution will be Tuesday, Nov. 30. If any other community members would like to volunteer, please contact me. The main responsibility is recording the titles of the books chosen by the students. Thanks!

## Eagle Booster Club News

The Eagle Booster Club would like to thank all those who purchased raffle tickets for the Packer game on November 7<sup>th</sup> against the Dallas Cowboys, as well as other cash prizes! The winners were:

Packer Tickets: Joe Wanserski

\$250 Cash Prize: Matt Mehne

\$100 Cash Prize: Janet Fischer

We truly appreciate your support!!

We will be hosting our 2<sup>nd</sup> annual high school Holiday Basketball Invitational over Christmas break on December 28<sup>th</sup> and 29<sup>th</sup>. More details will follow in the December newsletter.

It's also that time of year when we make plans for the 5<sup>th</sup> – 8<sup>th</sup> grade boys and girls basketball traveling teams. Coaches will be sending information home regarding practice times and dates that have been scheduled for tournaments. We will be hosting 4 of these tournaments ourselves, and will need a great deal of help working in the concession stand and selling admission tickets. Please volunteer your time by contacting one of the booster club members OR consider joining our team! We meet the second Sunday of the month and even if you cannot make these meetings, we are always in need of volunteers for the projects we are involved with. Our annual membership is only \$3. So let us know if you are able to help on any level.

Thank You from the Eagle Booster Club!

## “Academic Integrity”

When looking at the opportunities students in America have in regards to education our Spanish class was asked to define “academic integrity” and relate it to the saying, “Teachers can open doors, but a student is the one who must walk through it.” Student Robbie Scott said, “Teachers can open new doors to opportunities, but only you have the power to walk through it and learn to experience what’s on the other side.” Alexis Seitz added that integrity requires a choice. She said, “You choose to do the right thing in school. You can either choose to come in with the right attitude and learn, or choose not to. My responsibility is to come into class with the right attitude and want to learn.” Angie Shackelford said she should “help others the best that I can, respect myself, and follow my goals.” Baylee Voss-Plutschack concluded, “Academic integrity is your personal responsibility to promote your own success. To achieve success one must achieve goals, set standards, and most importantly be happy.” Sam Borchardt talked about what happens to those who choose to walk away rather than go through the door. He said, “We have to make the case to walk through the door and the people on the other side will only be allowed to look in, but not come in.” Miriam Webster defines “integrity” as “possession of firm principles: the quality of possessing and steadfastly adhering to high moral principles or professional standards.” It’s comforting to know our students in the Almond-Bancroft School have learned key aspects to becoming global participants.

# ***GREAT HOLIDAY GIFT IDEA!!!***

## **Almond-Bancroft FFA's Community/School Calendar Fundraiser**

The National FFA Organization is dedicated to making a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education. FFA helps the next generation rise up to meet tomorrow's challenges. Its members explore their interests and develop their own unique skills and talents through FFA programs.

The Almond-Bancroft FFA is raising money to help students attend leadership conferences, conduct community service functions, conduct agricultural education literacy programs and many other activities. With your support they will be able to do many activities to help the community and other members of the school.

The calendar will have pictures of some of our Almond-Bancroft students in different activities at school! All we need you to do is look at the following order form and support the FFA by purchasing a calendar and listings if you would like.

**Orders must be received by November 20<sup>th</sup>, 2010.**

**The calendars will be available to pick up before Holiday Break!**

Our members will also be contacting local businesses to sell advertising spaces that will be placed in full view year round on the calendar. The advertising spaces will be sold for \$25 a square about the size of a business card. (It will be in full color.) The actual size will be determined based on the number of ads purchased by community and area businesses.

If you would like to purchase an advertising space, you can send a business card or layout of the ad to the address in the sample ad below. We would be happy to then contact you with further details and a mock-up of what your ad would look like.

Thank you for supporting the Agricultural Education Department and the Almond-Bancroft FFA!

We look forward to working with all of you in the future.

## From the desk of Pat Leary

Dear Parent(s),

Thank you for keeping your lunch bills paid up! Just a reminder that morning milk is due at the end of the quarter, \$11.25. Remember to send your child(s) lunch money to school in an envelope labeled with your child's name on the outside.

Sincerely Yours,

Pat Leary, Food Service Director

*"This institution is an equal opportunity provider"*

### **FLAVORED MILK PROVIDES NINE ESSENTIAL NUTRIENTS**

All milk-regular and flavored-contains a unique combination of nutrients important for growth and development, including three of the five "nutrients of concern" for which children have inadequate intakes. And, flavored milk accounts for less than 3.5% of added sugar intake in children ages 6 to 12 and less than 2% in teens.

#### **FIVE REASONS WHY FLAVORED MILK MATTERS**

1. **Kids love the taste**-Milk provides nutrients essential for good health and kids will drink more when it's flavored.
2. **Nine essential nutrients**-Flavored milk contains the same nine essential nutrients as white milk-calcium, potassium, phosphorus, protein, vitamins A,D, and B12, riboflavin and niacin (niacin equivalents)-and is a healthful alternative to soft drinks.
3. **Helps kids achieve 3 servings**-Drinking low-fat or fat-free white or flavored milk helps kids get the 3 daily servings\* of dairy foods recommended by the Dietary Guidelines for Americans.
4. **Better diet quality**-Children who drink flavored milk meet more of their nutrient needs; do not consume more added sugar or total fat; and are not heavier than non-milk drinkers.
5. **Top choice in schools**-Low-fat flavored milk is the most popular milk choice in schools and kids drink less (and get fewer nutrients) if it's taken away.

For more information, visit [www.nationaldairycouncil.org/childnutrition](http://www.nationaldairycouncil.org/childnutrition)

\*Daily Recommendations: 3 cups of low-fat, or fat-free milk or equivalent milk products for those 9 years of age and older and 2 cups of low-fat or fat-free milk or equivalent milk products for children 2-8 years old.

### **Collect These Items And Help Support Almond-Bancroft School Programs**

#### **MY COKE REWARDS FOR SCHOOLS**

The My Coke Rewards for Schools program refreshes our long-lasting commitment to education by giving today's students what they need. Together we can help students learn and grow by turning My Coke Rewards points into rewards for accredited schools grades K-12, providing playground equipment, art supplies, sports gear, educational resources and much more.

You can help Almond-Bancroft earn by collecting points from codes found on participating Coca-Cola products. Go to [www.mycokerewards.com/schools](http://www.mycokerewards.com/schools) to donate points to Almond-Bancroft Schools.

#### **TAKE CHARGE OF EDUCATION**

Apply for the Target RED card or if you already have one go to [target.com](http://target.com) and designate Almond-Bancroft as your school and Target will donate up to one 1% of your RED card purchases to Almond-Bancroft Schools.

#### **BOX TOPS FOR EDUCATION**

Start collecting Box Tops! Look for the 10 cent Box Tops coupon on hundreds of products. You can find BoxTops on brands such as Cheerios, Betty Crocker, Pillsbury, Ziploc, Kleenex, Hefty and more.

To see all participating products containing the Box Tops coupon go to [www.boxtops4education.com](http://www.boxtops4education.com).

#### **HELP US EARN PLAY EQUIPMENT FOR THE BANCROFT SCHOOL**

The Bancroft School is collecting Campbell soup labels to be redeemed for equipment for the school: computer games, play ground toys and/or manipulatives.

However, the rules for turning them in have changed. They no longer want the whole front of the label. They only want to UPC symbol. In fact, we will only be able to submit the UPC symbols from now on.

Thank you,  
The Bancroft Staff

#### **JUNIOR CLASS ALUMINUM CAN COLLECTION & DROP OFF POINTS**

Drop-off points for donated aluminum cans are in Bancroft at Schmidt Metals and in Almond behind the school.

The Junior class greatly appreciates your aluminum can donations!

## Veterans Day Ceremony

Where: Almond School, West Gym

Date: November 12, 2010\*

Time: 1:00 pm –around 2:00 pm

Presented by: Almond-Bancroft National Honor Society

Please join us in honoring the service and sacrifice of veterans of all wars, past and present.

### HONOR AREA VETERANS AND ACTIVE SERVICE MEMBERS

Almond-Bancroft High School would like to recognize all its alumni and community veterans, as well as active service members during the November 12<sup>th</sup> Veterans Day Ceremony. If you know of a veteran or service member who deserves recognition at the ceremony, please contact Nicole Brandt at 715-366-2941, ext. 312 – or email at [nbrandt@abschools.k12.wi.us](mailto:nbrandt@abschools.k12.wi.us)

\*The ceremony was moved to the day after Veterans Day because there was a conflict with a field trip taking place on Veterans Day. We also wanted to accommodate our guest speakers.

### **THE COLD HAS ARRIVED!**

Please make sure your child/children are dressed for the cold, as they have recess outside regardless of what they are wearing! Coat, hat, gloves, snow-pants and boots for when the snow begins to fly!

### **BAD WEATHER...IS THERE SCHOOL?**

This is a question that can be answered by turning on your TV's to channel 9 (WAOW) or channel 7 (WSAW). If you prefer to listen to the radio, it will be broadcast on WYTE -106.5, WLJY -96.7, WGLX -103.3, FM 109.7, and WDUX -800 AM / 92.7 FM.
