**Capitol ceremony celebrates 2013-14
 Wisconsin Title I Schools of Recognition**

MADISON — State Superintendent Tony Evers praised Almond-Bancroft for being among 167 schools in the state that received Wisconsin Title I School of Recognition honors for the 2013-14 school year during a special Oct. 8 ceremony at the State Capitol in Madison.

Evers welcomed, from left: Brenda Ramczyk and Jeff Rykal, to the recognition event. Special recognition during the event included 14 High-Achieving schools and 26 High-Progress schools, with six schools earning both High-Achieving and High-Progress honors. There were five schools that earned Wisconsin Title I School of Recognition honors for 10 consecutive years, and nine schools that earned the award for a fifth consecutive year.

“Partnerships among teachers, parents, administrators, school staff members, and the community contribute to the academic success of students in schools that receive this honor,” Evers said.

Almond-Bancroft Elementary has received Wisconsin School of Recognition honors for seven consecutive years and eight years in total.

Middle School Students Of The Month

One student is honored from each grade within the Middle School for his/her overall excellence as a student each month. These students are selected based on their academic achievements and exceptional behavior during the school day. Achieving excellent performance for September, the Students of the Month include the following: Elijah Kollock, Emaleah Matke, and Derek Baumgartner.

From the sixth grade we honored Elijah Kollock. Elijah is a cheerful, hardworking student who strives to achieve his personal best. He pays attention to detail and keeps himself motivated. Elijah is respectful and polite at all times, making him a role model for others. He is responsible and dependable. Elijah goes out of his way to be kind and helpful to others. He is an awesome kid!

From the seventh grade we honored Emaleah Matke. Emaleah is studious, intelligent, and hardworking! Her assignments are always done above and beyond what is expected. She is a pleasant, fun young lady. Emaleah treats everyone with courtesy, kindness, and respect. She is a great example for others to follow and a joy to have in class!

From the eighth grade we honored Derek Baumgartner. Derek is a fun-loving, hard-working guy who never hesitates to help another in need. He is reliable and responsible, polite and respectful. Derek is a person who has both athletic and academic goals, and will achieve those goals because of his natural abilities and motivation to succeed. He puts forth his best effort in everything and maintains a positive attitude. Derek is a great addition to our school and community!

Thank you for your hard work!
Congratulations!

Eagle Team

The Eagle Team is a student leadership team for grades 3-5.

Student representatives are nominated by their teachers to discuss school issues, provide input and plan events and activities. Lessons to hone leadership skills are incorporated into once per month meetings at lunchtime. Eagle Team members will also recruit interested students to help on various projects throughout the year.

During the month of October, the Eagle Team has been involved in the planning of Red Ribbon Week. Several team members will be visiting classrooms to explain the history of Red Ribbon week and distribute ribbons and pledge cards to elementary classrooms.

Eagle Team Advisors are Amanda Negro, Peg Doede, Sarah Ritter, Tom Collins and Dawn McDonald.

Elementary PBIS

This school year kicked off with a review of our school-wide expectations in "The Game of School." Mr. Stead and Mrs. Negro led 1st-5th grade classrooms in a game show style board game in which students were the game pieces and moved around the board by answering questions correctly. All questions had to do with our expectations: *RESPECT*, *RESPONSIBILITY* and *SOLVING PROBLEMS*. Mrs. Hamburger and Fries was our surprise guest. She reminded us about appropriate voice levels in school.

"Tilling up Eagle Prairie"

Behind the west gym near the playground the Middle School students have been hard at work, "tilling up Eagle Prairie"!

Each of the Middle School students will be planting some of the prairie seed, so everyone is involved. Each class will have their own "section" to plant! Look for more information about the Eagle Prairie Project in the next newsletter or contact Kathie Plaisance, 715-366-2941 x 200.

Youth Risk Behavior Survey (YRBS)

Our school is taking part in the Wisconsin Online Youth Risk Behavior Survey this winter. The survey will ask 6th-12th grade students about behaviors that result in injuries, tobacco use, and alcohol and other drug use, risk associated with sexual activity, dietary behavior, and physical activity. Students will be asked to fill out a computer-based questionnaire that takes about 25 minutes to complete. They will take the survey during regular class time.

Some students might find certain questions to be sensitive, but they are able to skip any question that they do not wish to answer. This anonymous survey has been designed to protect your child's privacy and our school will not receive individual student answers. Students will not put their names on the survey and no class or student will ever be mentioned by name in a report of the results. **The aggregated results of this survey will help students in the future by influencing our school's health and safety programs (including bullying and harassment).** We would like all middle/high school students to take part in the survey, but the survey is voluntary.

Please contact Erika Spear, the 8-12 School Counselor, if you have any questions or concerns regarding this survey. **If you do not want your child to take part in the survey, contact Erika Spear at 715-366-2941 x414 no later than November 30, 2013.** If you have no objection to your child taking part in the survey, you do not need to do anything. Thank you.

Elementary GIFTS (Classroom Guidance)

In GIFTS lessons we have been:

- Learning what "good character" is.
- Identifying people in our lives and famous people with good character.
- Focusing on what honesty looks like in everyday life.
- Exploring why honesty is an important character trait.
- Learning why honesty is important in connection to various careers.

Minute Meetings

This year, Mrs. McDonald and Ms. Spear will be conducting short face to face conferences called Minute Meetings with all middle school students. During this time, we ask students a series of questions that allow us to check in with them regarding their academics, social relationships and interests for possible career choices. We also make sure to let students know we are available if they need to talk with us more in depth. Mrs. McDonald will also be conducting Minute Meetings with elementary students throughout the year.

ASVAB: Not Just for the Military

The ASVAB (Armed Services Vocational Aptitude Battery) is the required entrance exam for the US Military. The ASVAB Career Exploration Program is a civilian-based program that can help all students take steps toward finding a career that's right for them. Students do not need to be interested in the military to take the ASVAB. They can benefit from the Program whether they plan to pursue further education after high school or enter the workforce right away. The first step towards finding a career is to spend some time finding out about yourself. The ASVAB Career Exploration Program includes tests and activities that help students identify their interests and provide information about their Verbal Skills, Math Skills, and Science and Technical Skills. It lets them know how their interests and skills relate to the demands of more than 400 occupations to help students start making educational and career plans.

The ASVAB is being given this year on Tuesday, December 3 at 8:10 am. All Sophomores, Juniors, and Seniors will be encouraged to sign up for this free career exploration tool closer to the testing date.

Wrestling Update

Again this year the wrestling team will co-op with Pacelli with a majority of the practices being held at Almond. **The first day of High School practice will begin on Monday, November 18th at 3:30.** I plan on having the minimum weight/skin fold testing done within the first week of practice.

Middle School wrestling will begin on Monday, Dec. 16th and will run in conjunction with the High School Team with practices running from 3:30-5:30. A schedule is still being finalized.

Youth Wrestling will begin on Monday, January 13th at 5:30-7:00 in the cafeteria. Information and permission slips will be posted in the Elementary hallways. I would like to send parents information and uniform order forms for the upcoming season. Please contact me as soon as possible if your child may be interested in participating. If there are parents that would like to help out with practices or even take on running a few practices it would be greatly appreciated.

Also new for this year, is a 42'x42' wrestling mat in green with black line markings that we will pick up at the Oshkosh On The Water, Holiday Tournament. A special thank you to the Booster Club and our school for making this happen. I have also talked Bonnie Warzynski into keeping our school's wrestling page updated this year. I will provide Mrs. Warzynski with information related to wrestling regularly. Please use the web site, www.abschools.k12.wi.us, A-B Sports Zone, Almond-Bancroft Pacelli Wrestling, to stay up-to-date with times, schedules and results or other information.

Almond-Bancroft FFA Attends State FFA FIRE Conference

April Chilsen, Breeley Warzynski, and Lauren Dykes of the Almond-Bancroft FFA Chapter attended the Wisconsin Association of FFA FIRE Conference, October 12 at the Fox Valley Technical College Campus in Appleton, Wisconsin. FIRE stands for “Foundations in Reaching Excellence.” The conference helps young FFA members discover opportunities in the FFA organization and gain valuable leadership skills. This is one of three conferences held around the state of Wisconsin for seventh, eighth and ninth grade FFA members. Over 600 members will attend these three conferences during September and October.

The State FFA FIRE Conference is designed to inform beginning FFA members about the FFA and motivate them to participate in its many activities. Students learned about communication skills, social skills, goal setting, FFA awards and programs, and opportunities in agriculture along with developing leadership skills to help them be effective members in their local chapters.

The conference is conducted by the 2013-2014 State FFA Officer Team along with assistance from the FVTC-Appleton Post Secondary Agricultural Student Organization. The conference was centered around the theme “Survivor – FFA Edition”. All of the state officers encouraged students that attended the FIRE Conference to set goals for their FFA involvement and meet people from around the state who can help them reach those goals.

Not only does this conference help students understand the FFA organization and all its opportunities, but helps them develop skills in meeting people, working with others and setting goals with a plan of action. “In the FFA, we assist members starting in seventh grade to develop skills they will need for future careers and opportunities,” said Cheryl Zimmerman, State FFA Executive Director. “FFA develops the whole person and these young members are taking a step in the right direction.”

The Wisconsin FFA Association is comprised of over 250 local chapters with over 19,000 members gaining leadership for the future of agriculture. FFA activities and award programs complement instruction in agriculture education by giving students practical experience in the application of agricultural skills and knowledge gained in classes. FFA's mission is to develop members' potential for premier leadership, personal growth and career success through agricultural education.

SLD Notificación para las Escuelas como es Requerido por PI 11.36(6)(c)2

El estado de Wisconsin ha cambiado la manera de identificación de los estudiantes con específicas incapacidades de aprendizaje (SLD). Después del 1º de diciembre 2013, todas las evaluaciones de SLD iniciales de estudiantes de escuelas públicas utilizarán la información de las intervenciones para hacer decisiones de elegibilidad.

Este artículo es para informarlos que a partir del 3 de septiembre 2013 las evaluaciones de SLD iniciales en las escuelas de Almond-Bancroft comenzarán a utilizar la información de la respuesta de un estudiante de intervenciones intensivas, con base científica o con evidencia, cuando haciendo decisiones de elegibilidad de educación especial.

Este cambio en los procedimientos de calificaciones serán implementados en nuestro distrito usando una sistema conocida como 'Repuesta de Intervención' (RTI). RTI abarca las académicas y comportamientos para todos los estudiantes. RTI está diseñado para captar las luchas académicas o comportamientos al inicio y para proporcionar intervenciones que han sido probados de trabajar. Es posible que hayan oído de nuestra iniciativa llamada "PBIS" que ha incrementado los comportamientos positivos en nuestro distrito. RTI es considerado como el lado académico de PBIS, sin embargo, lo que realmente es RTI es un sistema comprensivo que incluye académicas y comportamientos.

Para obtener más información acerca de RTI y PBIS, por favor visiten nuestra página de internet y cliquen en "RTI/PBIS". Si tienen algunas preguntas o desean más información, por favor, avísenme o cualquiera de las siguientes personas a (715) 366-2941.

Graduation Ads-Almond-Bancroft High School Yearbook-2013-2014

Dear Parents:

It's hard to believe, but in just a few short months, your student's stay at Almond-Bancroft High School will be nothing more than a memory. Graduation ads are a tradition among graduating students that let them know how much they are cared for. You know your child is amazing – why not show them that in this year's yearbook? You have the opportunity to let them know how proud of them you are. Your recognition ad will be printed and remembered forever! By purchasing a space in the back of the book you can tell them how special they are with your own pictures and in your own words.

Making your ad is simple. Just fill out the attached form, include the pictures you'd like to use, and attach payment. Return this form, with your pictures, to Ms. Stiebs by Friday, November 22nd. If you have any questions, please refer to the FAQ section or contact Ms. Stiebs at 715-366-2941 ext. 314.

Prices:

1/4 page (4 ¼" x 5 ½")	\$25 (1- 3 pictures)
1/8 page (2" x 3")	\$15 (1- 2 pictures)
Yearbook	\$42

FAQ's:

Do my photos have to be the same size as the template?

No. We have the ability to scan and/or resize photos as needed.

Do I have to have the exact number of words specified on a sample template?

No. It is suggested that you stay around that number in order to keep text legible, though.

How do I indicate which photo I want to go where?

Simply write the location lightly on the back of the photo and we'll make sure it goes there.

Do I have to type my text?

No. You may handwrite your text, however, it may be more clear to attach a typed copy of the text you'd like to include your ad. All writing will be recreated AS IT WAS WRITTEN, so legible writing or copies of text are preferred.

Can I submit digital photos?

Yes. You may submit them by emailing Ms. Stiebs at dstiebs@abschools.k12.wi.us. Digital files do need to be at a resolution of at least 300 dpi, though, otherwise they will not be useable for yearbook publishing. When scanning photos, most scanning programs have a "custom" section where you can change your resolution to at least 300.

If the yearbook doesn't come out until the end of the year, why do I need to submit this so early?

The yearbook is created all throughout the year. Many schools need to get pages in as early as October and need your ads to help them reach that goal.

Will I receive my photos back?

Yes. Your photos will be kept in a safe place until your ad is created. Your yearbook advisor will then have them available for pick up or will be returned to you by mail.

Will my ad be the same size as the sample ad?

No. The sample ads created here are for reference only. Your ad will look like it, but will reflect the size of the ad you purchased.

Americorps news with Joseph Nowinski

Good day parents and students! The tutoring center is up and running and we are looking for volunteers to come help tutor middle school and high school age students from 3:30p-5:15p. If you are interested please contact our office and come in to fill out a quick form to be eligible to help out! Also, if you are over 65 and are looking to help in our schools, you may qualify for the Senior Tax Exemption Program (STEP) offered through our school. Please contact Joseph Nowinski (x325) for more details!

Americorps and Gaming Club will be hosting "***Extra Life***," a charity benefiting the Ministry St. Joseph Children's Hospital in Marshfield, Wisconsin on November, 2nd. *Extra Life* is a 24 hour gaming marathon that allows participants to receive sponsorships for the marathon. Friends and relatives donate money through www.extra-life.org. This year our team, the AB Eagles, will be here at Almond-Bancroft School from 8am-5pm gaming their hearts out for a good cause! If you are interested in donating or want to sign up, go to www.extra-life.org and contact Mr. Nowinski (x325) or Mr. Collins (x412) for more details!

As the weather gets colder, it is important to always have the proper clothes for our community members, **on November 4th, 11th, and 18th our Community Closet** will be open for those community members that need some help getting the garments they need. The closet will be available after school **from 5:30p-7:00p in room 325**. If you know someone that is unable to find what they need, feel free to bring them along. We will be holding more Community Closet Days in December. We hope to see you!

Our Continuing Education program will be continuing through November with a few different options! **Our local fitness expert Jaimie Winn will be working out to Zumba every Monday right after school!** Contact Joseph Nowinski or Jaimie Winn for more details!

On *November 19th at 6:00pm and every 3rd Tuesday of the month*, the ***Fermentation Station*** will be meeting in the FACS to create some wonderful concoctions making a host of fun food and drink! We will be focusing on making **Sauerkraut!** The class will be free of charge, but *participants are encouraged to bring their own utensils and required to bring their own containers!* You will be taking home your very own kraut!! Contact Joseph Nowinski for a full list of classes!

November 26th from 5:30p-7:30p and every 4th Tuesday of the month, the Nowinski family will be hosting ***Family Musicians*** in the Almond-Bancroft band room. Are you interested in learning the same instrument your son/daughter plays so you can help guide them at home? Do you just like playing music and want a push in the right direction? Or would you like to try something new? Community members are encouraged to come in with or without their children and enjoy playing music no matter what their experience level! These classes will be free of charge. *Bring your own instrument if possible. If you are unable to make it on that date or unsure of what instrument you would play, please contact Mrs. Nowinski at 715-366-2941 x326.*

Americorps in Almond will be offering more classes soon! If you have any ideas for community events, please contact Joe Nowinski! Also, if you want to volunteer in the Almond Bancroft school district or wish to teach a continuing education class, contact Joe Nowinski at 366-2941 (ex 325) or email me at jnowinski@abschools.k12.wi.us
