ALMOND-BANCROFT

**COMING
SOON!**

PRODUCTION

When theater critic Oscar DeWilder refuses to let his niece Claire marry Sid Buchard (an *ACTOR*), hilarity ensues when Sid's acting troupe, The Piccadilly Players, aid them in changing old Oscar's mind. A *Christmas Carol*, with its ghosts, is used as the inspiration for a plan to make Oscar see the light. Of course, special goggles and heavy-duty pain medication greatly help the process. Just why does Oscar hate actors so much? What has he been eating? Who is Rosebud? All these questions will be answered in the family-friendly laughfest called

Showtime for Oscar!

By Ray Sheers

Almond-Bancroft High School Auditorium

Saturday, November 15th 7:00 PM

Sunday, November 16th 2:00 PM

Tickets

Adults \$5.00

Students/Seniors \$3.00

Middle School Students Of The Month

Middle School Students of the Month September

One student is honored from each grade within the Middle School for his/her overall excellence as a student each month. These students are selected based on their academic achievements and exceptional behavior during the school day. Achieving excellent performance for September, the Students of the Month include the following: Matt Selenske, Gerardo Castellanos, and Anthony Applebee.

From the sixth grade we honored Matt Selenske. Matt is a respectful, responsible, and conscientious young man. He always works hard and puts forth his best effort to achieve his goals. Matt excels academically, and is a great role model for other students. He is extremely polite and caring of his peers' feelings. With his fun-loving personality, Matt is a great addition to our 6th grade class!

From the seventh grade we honored Gerardo Castellanos. Though Gerardo is quiet, he is friendly and fun-loving. He is patient with others and shows respect and kindness to all. Gerardo works hard academically and is responsible. His polite manner is admirable. Gerardo is a wonderful student and a good role model for others. We appreciate him very much!

From the eighth grade we honored Anthony Applebee. Anthony is off to a great start this year! He is polite and patient with others, and he works hard to accomplish his goals. He has shown great maturation and personal growth this year, and he is becoming a positive role model for others. We are amazed at what this young man can accomplish when he puts his mind to it, and we are so proud of him!

Thank you for your hard work!
Congratulations!

THE COLD HAS ARRIVED!

Please make sure your child/children are dressed for the cold, as the elementary has recess outside regardless of what they are wearing! Coat, hat, gloves, snow-pants and boots for when the snow begins to fly!

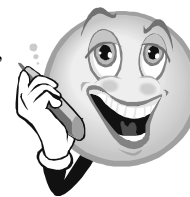

BAD WEATHER...IS SCHOOL IN SESSION?

This is a question that can be answered by turning on your TV's to channel 9 (WAOW) or channel 7 (WSAW). If you prefer to listen to the radio, it will be broadcast on Y106.5-FM, 96.7-FM, 107.9-FM, WGLX -103.3-FM, 109.7-FM, and WDUX -800-AM / 92.7-FM.

Also, Almond-Bancroft School District has an **Emergency Alert Notification System** in place which will send an automated call, in the event of a school closing, to the phone numbers you provide. **To register log on to the school web-site, <http://www.abschools.k12.wi.us> and follow the instructions or call, 715-366-2941 x 422 and provide your name and up to four contact numbers.**

ATTENTION

If your child is absent from school, please call the Attendance Office at 715-366-2941 extension 108 **before 9:00 a.m.**

AUSENCIAS

Si su hijo(a) esta ausente usted es responsable de llamar la Escuela de Almond-Bancroft antes de las **9:00 a.m.** al 715-366-2941 Ext. 101

Almond-Bancroft School District Mission Statement

The Almond-Bancroft School District, with support of families and community members, will provide a safe and supportive learning environment, which challenges and prepares each student for success today and tomorrow.

School Wide Title News

By Mrs. Kaepfel

Last spring, the Almond-Bancroft School District was notified that their application to become eligible for a Title I school wide program was granted!! What does this mean for our kindergarten through fifth grade students?? It means that all staff, resources, and classes are part of the overall school wide program. The purpose is to generate high levels of academic achievement in core subject areas for all students, especially those students most in need.

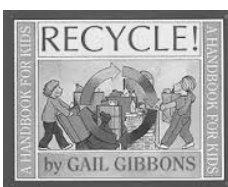

This purpose is achieved through:

- High quality instruction
- Comprehensive reform strategies and methods that are based on the use of scientifically based research
- Strategies and methods to improve teacher quality and professional development

One of the first steps taken so far this school year was to assess each of our students in order to evaluate their reading and comprehension ability. This was accomplished by using the Fountas & Pinnell Benchmark Assessment Systems 1 & 2. The information we collected will assist us in supporting the independent and instructional reading levels of our students throughout the school year.

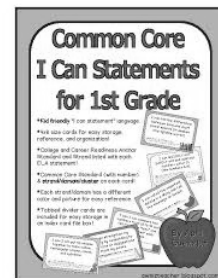

“Matching books to readers provides opportunities to process texts that are not too difficult or too easy allowing the reader to learn from the text.” Irene Fountas & Gay Su Pinnell

Another step taken to support high quality instruction was the purchasing of fiction and nonfiction books. Thanks to the Plum Creek Foundation for awarding our elementary school with a \$4000 grant, these leveled books will be housed in a newly created bookroom!! Teachers will check these books out to support how they adapt and enhance their instruction as they strive to meet the individual needs of their students. Many of the books ordered align with grade level field trips which support the curriculum in science and social studies.

Additionally, grade level teachers have been working hard at creating “I CAN” statements which are comprised of simple sentences *written in student-friendly language*. Based off the Common Core State Standards in Math and English Language Arts, these statements break down lofty curriculum objectives into learning targets that parents and students can read and understand. These “I CAN” statements, created in both English and Spanish, will be distributed and explained to parents during the November Parent-Teacher Conferences.

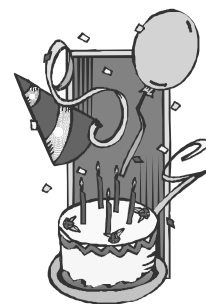

STUDENT COUNCIL SINGING BIRTHDAY GRAMS

A-B High School will deliver singing Happy Birthday Telegrams to your favorite Student/Staff member on their birthday! Please allow a 24 hour notice before delivery. These are packages you may select from:

Standard: (\$5.00) Happy Birthday balloon on party stick decorated with ribbon, card, and a round lollipop

Almond-Bancroft FFA Activities

Almond-Bancroft FFA and Ag students held a mini petting zoo for the 1st –5th grade students during their rewards day. Middle and high school students brought in their pets and talked about the interesting characteristics of the animal, feed and nutrition, and other ag related facts. It was a fun and educational day!

Almond-Bancroft students grades 7th-12th are welcome to join FFA at anytime! Our FFA Alumni is also looking for additional members and you can join at any time. All are welcome to support our agricultural program and no previous FFA experience is needed. The FFA Alumni is open to all community members and businesses.

If you are interested in joining our great educational program contact Michelle Orr, 715-366-2941 ext. 100, morr@abschools.k12.wi.us

The mission of the National FFA Alumni Association is to support and advocate for agricultural education and FFA through gifts of time, talent and financial resources at the local, state and national level.

EAGLES SPORTLIGHT

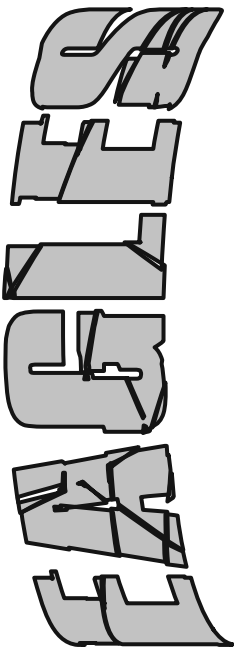

MS Football receives generous donation from the JJ Watt Foundation

The A-B middle school football team was given the special opportunity to benefit from the generosity of All-Pro, Defensive End, JJ Watt. Watt, a native of Pewaukee Wisconsin and current Defensive End for the Houston Texans, makes it his goal to help middle school aged kids in Wisconsin and Texas enjoy the same opportunities he had growing up. Through a rigorous application process the football team was granted a \$3,600 donation to purchase twenty-four sets of new pants and jerseys, ten helmets and ten sets of shoulder pads. The team looks impressive and is very appreciative to JJ Watt and his Foundation for his donation and positive impact on them. For more information on the JJ Watt Foundation or about giving to the Foundation visit jjwffoundation.org.

MS FOOTBALL 2014

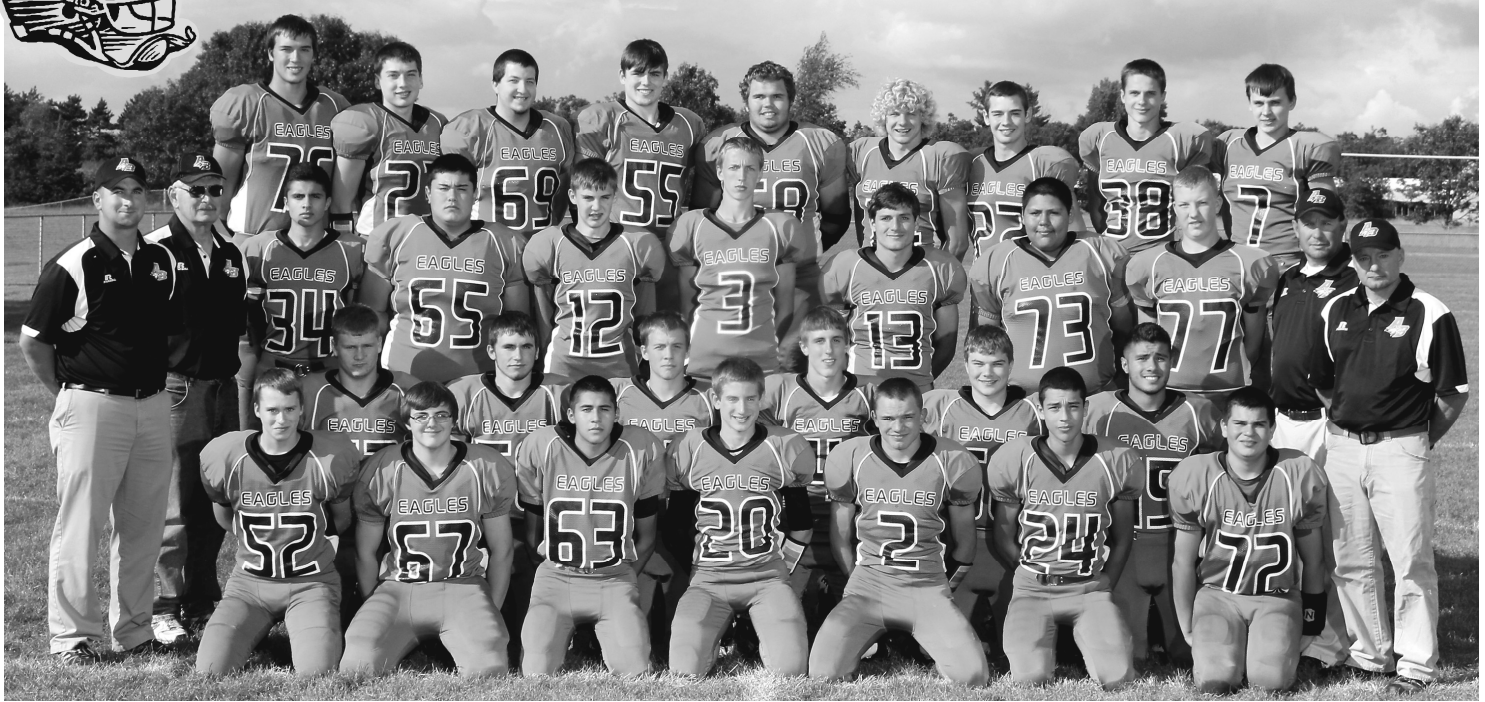

The A-B middle school football team finished off another successful season. This year's team enjoyed the participation of twenty-three young men. Throughout the season the coaches used every opportunity to teach the basic fundamentals of the game of football, sportsmanship on and off the field, high quality character, and mental discipline. The players enjoyed the opportunities to learn and grow their skills as well as compete with other local middle school teams. The 7th and 8th grade team took on the challenge of a ten-game schedule and through many difficulties and learning opportunities finished their season with an 8-2 record. Congratulations team on a great season!

Save the Date: Free Flu Clinic to be held at Almond School

Portage County Health and Human Services, Division of Public Health will be holding a flu immunization clinic on **Tuesday, November 18th from 3-7 pm** during parent/teacher conferences.

Flu vaccine will be offered free to all students and community members through age 18. We will also be offering Tdap that is available to anyone for \$5 (children and adults) who need the vaccine. A parent or legal guardian needs to present with any child 17 and under for consent and signature on forms.

Almond-Bancroft Boys and Girls Club News

On Thursday, October 9th, fourteen members of the Almond-Bancroft Boys and Girls Club went on a field trip to Flyte's Family Farms in Coloma where they found their way through a corn maze, pet small animals in the petting zoo, and chose and decorated their own pumpkins.

Boys and Girls Club of Portage County is available for 1st through 12th graders each Monday through Thursday from 3:15 pm-7:00 pm AND Friday from 3:15-6:00 pm. A **Homework and Tutoring Center** is now open for ALL students in grades 1-12 Monday through Thursday from 3:30 pm-4:30 pm in the IMC. A snack is provided. **Free Transportation** to Pine Grove Villa and the Bancroft School is now being provided: A bus leaves the Almond School at 6:30 pm Monday through Thursday and at 5:30 pm on Friday.

BOYS & GIRLS CLUB
OF PORTAGE COUNTY, INC.

Become a Foster Parent or Respite Provider Today!

In WI alone, approximately 8,000 children are placed into foster care each year.

LSS needs *you* to join in our efforts to make a difference for these youth.

LSS provides specialized training, 24/7 support, respite care, case coordination, and more so that *you* can help make a difference in a child's life.

Respite providers who can offer weekend or short-term care are also needed.

Do you have a heart for children? Can you provide them with a safe and caring place to call home?

A stipend is provided to help cover the cost.

For more information contact Andrea Tepp at 715-218-0547 or andrea.tepp@lsswis.org

If you're not interested and know of someone who might be, please pass this on.

The need is great throughout the state!

VOICES OF MENINGITIS™

A Meningococcal Disease Prevention Campaign
from the National Association of School Nurses

In collaboration with Sanofi Pasteur

What is meningococcal meningitis?

Meningococcal disease, which includes meningococcal meningitis, is a serious bacterial infection that strikes between 800 and 1200 Americans each year. Although rare, meningococcal disease can cause meningitis, swelling of the tissues around the brain or spinal cord; bacteremia, a severe blood infection; or pneumonia. Vaccination has been available for years and is a safe and effective way to help protect against this potentially devastating disease.

Who is at risk for getting meningococcal meningitis?

Although the disease occurs in all age groups, infants, adolescents and young adults, and people 65 years of age and older are at increased risk of contracting meningococcal disease.

How do you get meningococcal meningitis?

The bacteria that cause meningococcal disease are spread through respiratory droplets and direct contact with respiratory secretions. Common everyday activities can facilitate this spread, including kissing; sharing utensils and water bottles; and being in close quarters, such as living in a dormitory or staying at a sleep-away summer camp. Fatigue may also put people at greater risk of meningococcal disease, possibly by weakening the immune system.

What are symptoms of meningococcal meningitis?

Meningococcal meningitis can be hard to recognize, especially in its early stages, because symptoms are similar to those of more common viral illnesses. But unlike more common illnesses, the disease can progress quickly and may cause death in as little as 1 day. Symptoms may include high fever, severe headache, stiff neck, confusion, vomiting, exhaustion, and/or a rash.

Get the Facts

What can happen if you get meningococcal meningitis?

Although rare, meningococcal meningitis is serious and can potentially cause the death of an otherwise healthy young person within as little as 1 day after symptoms first appear. About 10 to 15 percent of the 800 to 1200 Americans who get meningococcal disease will die. Nearly 1 in 5 survivors are left with serious medical problems, including: amputation of arms, legs, fingers, or toes; neurological problems; deafness and kidney damage.

How can you help prevent your child from developing meningococcal meningitis?

Data from the Centers for Disease Control and Prevention (CDC) have shown that, following infancy, there is a second peak in meningococcal disease incidence among adolescents and young adults between 16 and 21 years of age. Even though the disease is rare, it can result in severe, permanent disabilities and death, so it is important to take every precaution to help protect against it.

To help protect against meningococcal disease, the CDC's Advisory Committee on Immunization Practices (ACIP) recommends routine vaccination of adolescents 11 through 18 years of age (a single dose of vaccine should be administered at 11 or 12 years of age, with a booster dose at 16 years of age for children who receive the first dose before 16 years of age).

Getting the booster, which is recommended by the CDC but not required in many states, is a critical step when it comes to following the recommended vaccination schedule. The booster helps provide protection through adolescence into young adulthood, which is a time when the risk of meningococcal disease tends to increase.

Talk to your child's school nurse or health care provider about meningococcal meningitis prevention and visit www.Facebook.com/VoicesofMeningitis for more information.

Food Service News

Dear Families,

We want to remind you that if your family lunch account has a negative balance of more than \$50.00 your student will not be able to have the offered lunch for the day, they will instead be provided with a peanut butter and jelly sandwich. It is our hope that this will not have to happen. For those families close to this limit, please provide a payment as soon as possible to ensure that your child receives a hot lunch or breakfast.

If you would like to fill out a free and reduced meal application they can be found on the school web site, in the secondary office, or you can call Trina at 715-366-2941 x 422 and one can be mailed to you.

Wishing you all a Happy Thanksgiving,

Connie Kaehn, Teresa Gutke, Lynn Baird & Trina Warzynski
"This institution is an equal opportunity provider"

"In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability.

USDA is an equal opportunity provider and employer."

THANK YOU P.I.E.!!!

From the First Grade

On Friday, October 17th, the first graders took a field trip to Flyte's Fieldstone, LLC just east of Coloma because of a generous donation by our Partners In Education organization. We arrived at our destination at 9:00, under cloudy skies and a little mist, but that didn't dampen our spirits. Our first adventure was trying to navigate our way through a gigantic corn maze, which had some really cool farm facts throughout. Everyone was accounted for as they eventually made their way out (the kids did not lose their adult)! This was followed by a tractor pulled wagon ride, and some simple games made from recycled objects that you'd find around a farm; such as O Ring Toss onto garbage can lids, Bushel Basket Rock Toss, Gunny Sack races, Blocks out of scrap wood, Tricycle Racing, and even some piglets to check out. After a lunch right on the grounds, the students were able to navigate through a giant Hay Maze, play in a Corn or Hay Pit, and decorate a pie pumpkin to take home. Many smiles and lots of fun were shared by all that went. Thank you P.I.E. for this awesome experience!!

OTHER P.I.E. NEWS

P.I.E recently sponsored a motivational assembly for middle and high school students. Joel Penton one of the nation's leading youth motivational speakers spoke to our students about the POSITIVE results of good decisions instead of the NEGATIVE consequences of poor choices. Joel provided his own personal stories of triumph that ordinary people can accomplish great things by simply making the right choices. P.I.E. hopes your student enjoyed the assembly.

News

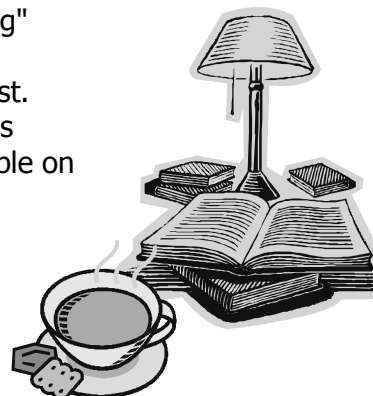

Bancroft Community Center News

The Bancroft Community Center will be hosting a "Meet, Greet and Book Signing" with Mary Jo (Beigel) Rapini.

Mary Jo is a 1976 graduate of A-B and has gone on to become a psychotherapist. Mary has written books including, "God is Pink" and co-authored "Start Talking: A Girl's Guide for You and Your Mom about Health, Sex, and Whatever". Her books are available on Mary Jo Rapini's webpage, Barnes and Noble, and Amazon.

We hope you will come and visit and bring a book for Mary to sign. She will be available on Wednesday, Nov. 26th from 11 am to 2 pm, at 8412 Division Street in Bancroft.

We will be offering a soup and sandwich lunch for a minimal fee to help support the Center.
