

WELCOME TO ALMOND-BANCROFT SUMMER SCHOOL 2017

Dear Families,

We are pleased to be offering our 2017 summer school program. Please take a moment to review the program guide to assist you and your children in determining what classes are appropriate and interesting.

There is a nice selection of classes that cover reading, writing and math, fitness activities, outdoor activities, games, computer activities, science activities, cooking classes, and much more. We will be offering swimming lessons again this year at the YMCA in Port Edwards. There will be no charge to participate. **We ask that you only sign up for one session of swim lessons to allow all students an opportunity to take part in this very popular and beneficial course.**

Each student enrolled will receive a free summer school t-shirt! Students need to be enrolled in one or more classes and must indicate the correct size when registering online.

We will be offering a breakfast and lunch program for all students in the Almond-Bancroft School District. All students are welcome to eat regardless of whether or not you take part in the summer school program. Breakfast will be served Monday-Thursday 8:00-8:30 AM and lunch will be served 11:30 AM-12:00 PM. This program is free to any student in our district.

We will be offering transportation from Bancroft to Almond. The students will be picked up Monday-Thursday at 7:45 AM on the south side of the Bancroft Lions Park and will return at approximately 4:15 PM.

How to register for classes;

- 1) Go to the District Webpage: www.abschools.k12.wi.us
- 2) Click on the "Summer School 2017" link
- 3) Complete the online registration form **on or before Friday, May 12, 2017.**

If you do not have access to the internet to complete the registration, you are welcome to come to school and we will assist you in registering for your child(s) classes. You may also request a paper copy by calling **Trina Warzynski at (715)366-2941 ext. 422**

Remember, you are not required to take part in all six weeks; you child may attend all or just portions of the sessions. The exception to this is if your child will be participating in swim lessons. Due to the fact that there is limited slots for the swim program, your son/daughter may be dropped from the program if they miss more than 2 lessons. If you have any questions, please feel free to call **Jeff Rykal at 715.366.2941 ext. 416.** Thank you!

Boys & Girls Club of Portage County

The Boys & Girls Club of Portage County will be offering a variety of engaging programming for students entering grades 1st-12th at the Almond-Bancroft Extension club site. They are open Monday-Thursday, June 12th through August 10th (closed the week of the July 4th) from 12:30-5:30 PM. Check out bgclubpc.org for more details!

The Boys and Girls Club will also be open during the two weeks after session two of summer school! During these weeks, they will be open Monday-Thursday, 8:00 am – 5:30 pm. Free breakfast, lunch, and snack as well as bussing from and to Bancroft will be provided. Pick up and drop off will be at the Bancroft Lions Park at 7:45 AM and 4:15 PM.

Please contact the site director at angela.iwanski@bgclubpc.org for registration information and with any questions!

Summer School Course Descriptions

Session 1: June 12-June 29

Session 2: July 10-July 27

Monday-Thursday

Please take some time to read through the available offerings we have for our program this summer. Check your summer schedules with the information below and select classes that will meet your child's needs. **To register, return the enrollment sheet included in this mailing or schedule electronically using the link on the schools homepage.** Keep in mind that students should be registered in reference to the school grade they will be in for the 2017-2018 school year, unless the course description states otherwise. If you have any questions, call Mr. Rykal at 715.366.2941 ext. 416.

Registration will be closed as of Friday, May 12, 2017. Some courses do have enrollment limits, so register early! In order for a class to be held a minimum number of students need to be enrolled. If minimum enrollments are not met, courses may be cancelled.

<u>CLASS</u>	<u>INSTRUCTOR</u>	<u>DATES/TIMES</u>	<u>2017-2018 Grade Levels</u>	<u>DESCRIPTION</u>
Swimming Lessons	YMCA Staff Port Edwards	Both Sessions 12:45-4:00 PM	Grades K-6	Lessons will be taught to students entering grades K-6. The bus will leave the Almond School at 12:45 each day and will return before 4:00 PM.
Make it with Paper	Mrs. Wade	Both Sessions 8:3-10:00 AM	Grades 3-5	Come and explore different ways to create using paper. Origami animals, bird houses, accordion books, paper airplanes, and masks- Oh, the possibilities are endless! Let's make it with paper.
Basic Knitting	Mrs. Wade	Both Sessions 10:00-11:30 AM	Grades 3-5	Did you know knitting is like riding a bicycle? Once you know how, you'll never forget. Learn the basics while working on a project of your choice. I will have easy projects for you to choose from such as hats, cat toys, bookmarks, and bracelets just to name a few. Needles and yarn will be provided for you.
Puppet Talk	Mrs. Wade	Both Sessions 12:30-2:15 PM and 2:15-:00 PM	Grades 3-5	Puppets aren't just for little kids! They're used in movies, commercials, and to entertain or teach an audience. We will explore the techniques used to create puppets by looking different ways puppets are used. As you make your own collection of puppets, you will create your own puppet show to share with the rest of the class. Come and learn how puppets talk.
Games Galore	Mrs. Ramczyk	Both Sessions 8:30-10:00 AM And 10:00-11:30 AM	Grades 3-5 and Grades 6-8	Come and learn to play games of all kinds! Board games, card games, outside games, and computer games, we will explore some of each. Some games you may already know, some you will learn to play for the first time, but it is certain you will have fun. Win or lose, inside or outside come join the fun of Games Galore!
Outside Adventures	Mrs. Ramczyk	Both Sessions 12:30-2:15 PM And 2:15-4:00 PM	Grades 5-6 and Grades 7-8	Are you into the outdoors? Come learn, participate, and enjoy some fun outside activities that will go beyond the classroom walls. We will take bike rides around the countryside, go hiking along the way, and perhaps try your aim at archery, just to name a few. Bring your energy, as you will need it for this class!

Oh What Buggy Fun!	Mrs. Hintz	Both Sessions 8:30-10:00 AM	Grades K-2	Have you ever wanted to know more about the amazing insects that are living in your back yard? In this class you will learn about many different kinds of insects and what makes them unique. You will create your own book about insects and make some cool insect crafts. And you will even get to observe the miracles of nature as caterpillars grow, build cocoons and turn into butterflies!
Toy Factory	Mrs. Hintz	Both Sessions 10:00-11:30 AM	Grades K-2	Welcome to the toy factory where you will be building your own toys! Try your hand at making your own bouncy balls, marble slides, play-dough, stilts, mini catapults, airplanes and helicopters to name just a few. And if you think being a toymaker is going to be fun, just imagine the fun you will have playing with the toys you make!
Mighty Math	Mrs. Hintz	Both Sessions 12:30-2:15 PM	Grades K-2	Do you love math or maybe want to improve your math skills? Then Mighty Math is the class for you! We will read math related stories, play math games that sharpen our adding and subtracting skills and learn more about mathematical concepts such as money, graphing, and measurement.
Summer Reading Camp	Mrs. Hintz	Both Sessions 2:15-4:00 PM	Grades K-2	Welcome to Camp Read-A-Lot where we will read and read s'more! In this class students will be introduced to some fun new books that will get them excited about reading. We will have a daily read aloud and take turns reading to each other as well as some silent reading time. Students will also create their own mini books to take home and read.
Book Club Grades 2-3	Mrs. Riggle	Session 1 8:30-10:00AM	Grades 2-3	If your child enjoys reading, this class will keep them reading all summer. Students will be able to choose from a variety of books as well as participate in book club chats and fun reading activities. Research points out that continued reading is the number one way to increase reading scores. <i>Keep the reading going this summer!</i>
Book Club Grades 4-5	Mrs. Riggle	Session 2 8:30-10:00 AM	Grades 4-5	If your child enjoys reading, this class will keep them reading all summer. Students will be able to choose from a variety of chapter books as well as participate in book club chats and fun reading activities. Research points out that continued reading is the number one way to increase reading scores. <i>Keep the reading going this summer!</i>
Summer of Science	Mrs. Riggle	Session 1 & 2 12:30-2:15 PM and 2:15-4:00 PM	Grades K-2	This class is for the science enthusiast or pessimist alike. Your child will participate in simple, but fun activities and experiments that will activate their imagination. They will engage in interactive group talks and gain a love for the experimental aspect of science.
Arts and Crafts with Nature	Mrs. Riggle	Session 1 & 2 10:00-11:30 AM	Grades K-2	If you're looking for the perfect combination of fun and learning this class is for your child. They will enjoy a variety of arts and crafts in connection with the great outdoors. There will be many projects and interactive nature walks. Your child will come home every day with a new appreciation of the natural world around them.

Lego Mania!	Mr. Stead	Session 1 & 2 12:3-2:15 PM and 2:15-4:00 PM	Grades 3-8	In this class students will get a chance to create different structures and creations out of Legos. Each week the students will pick a building theme for the week to create a final large creation. Besides building in this class, students will watch Lego themed videos and be able to use technology to play Lego themed games at times. If you are a Lego Maniac, this class is for you!
Movie Critic	Mr. Stead	Session 1 & 2 8:30-10:00 AM	Grades 6-8	In this class students will get a chance to become a movie critic during the summer. The instructor will be showing students movies from all different eras so that the students can see the advancements that have been made in today's movie process. After each movie, the class will discuss their likes and dislikes of the film. If you are a movie lover, this class is for you.
Games, Games, Games!	Mr. Stead	Session 1 & 2 10-11:30 AM	Grades 3-8	In this class, students will be playing all types of games. These will range from board games to video games to outdoor games. Usually half of our day is learning about games played inside, while the other half is spent outside weather permitting. If you love competition and fun, this class is for you.
Middle School and High School Weight Training (BFS)	Mr. Baumgartner	Session 1 Only 10:00-11:30 AM	Grades 6-12	Students will learn correct form in each of the lifts. Bigger, Faster, Stronger (BFS) principles will be applied for each lift. Students may increase weight only after they have achieved perfect form in each lift. Emphasis will be on increasing the amount of weight for each lift while demonstrating proper technique.
Math and Reading Enrichment	Mr. Baumgartner	Session 2 only 8:30-10:00 AM	Grades 3-5	This course will concentrate on individual instruction of math and reading. Instruction will be individualized based on the level of each student enrolled in the course.
Team Sports	Mr. Baumgartner	Session 2 only 10:00-11:30 AM	Grades 6-8	Students will learn the fundamentals of basketball, soccer, softball, rugby football, and hockey.
Reading and Writing ROCKS!	Mrs. Perzinski	Session 1 Only 8:30-10:00 AM And 10:00-11:30 AM	Grades K-2	Students will learn about the different steps in reading such as: pick out a book, activate prior knowledge, do a picture walk, read, ask questions while reading, retell the story, think about the characters, setting, problem/solution, main idea, details, author's purpose (PIE), character traits, rereading their favorite page, make connections, finally picking a new book. For our beginning readers, we will start by recognizing the letters and sounds and moving on to sight words. Students will use online tools such as Into the Book, Epic! , and Raz Kids. Books for Kids to level the students and Raz-Kids to get the students reading and listening to books. I would also utilize the book room for additional resources.

Techno Summer	Mrs. Beasland	Both Sessions 8:30—10:00 AM 10:00—11:30 AM 12:30—2:15 PM 2:15—4:00 PM	Grades 3-5 and Grades 6-8	<p>Week 1: Technology and Math-Use the computer and iPad apps to practice math in fun ways. Share with the class new things that you have found every day. The kids will be provided with a list of what they can access (links, apps) and the goal will be to make our list of resources as long as we can. Students will be encouraged to find more resources on their own to add to the list.</p> <p>Week 2: Technology and Language arts- Use the computer and iPad apps to work on reading/language arts skills (spelling, reading, phonics...etc.).</p> <p>Week 3: Trivia-Work as small groups to see who can search the internet to find the answers to trivia questions. We will use a couple of platforms for this:</p> <ul style="list-style-type: none"> • Kahoot (multiple choice, students respond using iPad or computer with live results). • Are you Smarter than a 5th grader video game. <p>Throughout the 3 weeks we will weave in typing skills, GoNoodle, videos, learning how to safely and effectively search the internet, and time to share things the kids have learned, or already know.</p>
Career Launch	Boys & Girls Club	Session 1 12:30-4:00 PM	Grades 6-12	From career exploration to resume building to college tours to interview skills, this program helps teens start thinking about life after high school. Teens will have the chance to explore possible careers based on their interests and talents and map out a plan for their futures. This program will combine highly engaging programs at the Almond-Bancroft BGC and day trips away from the club to explore local post-secondary campuses, job shadow, or even to build resumes!
S.T.E.M. Club	Boys & Girls Club	Session 2 12:30-4:00 PM	Grades 6-12	Up for a challenge? Want to have fun? Then sign up for S.T.E.M.! From sports science to video game design, this program is filled with engaging activities in the areas of science, technology, engineering, and math! Not only will teens deepen their knowledge of the S.T.E.M. subjects, they will develop teamwork, communication, problem solving skills, all while having fun!
High School Weight Training	Mrs. Perzinski	Both Sessions 7:00-8:15 AM	Grades 9-12 only	Students will learn correct form in each of the lifts. Bigger, Faster, Stronger (BFS) principles will be applied for each lift. Students may increase weight only after they have achieved perfect form in each lift. Emphasis will be on increasing the amount of weight for each lift while demonstrating proper technique.
